

Catawba Valley Chapter

July 2021

Message from the President

Hello Members!

Are you ready to launch into the Summer? It is the beginning of the new IMA year and we are hoping to make this one better than before. I would say than last year, but no group had any progress last year. We are looking at how we want to move forward. Do you like the monthly meeting idea, with speakers making presentations via the internet? If so, what time works best for you? Please remember, we need to be able to have our team available for the presentation.

If a monthly meeting does not fit your schedule – would you be interested in more webinars offering 1 or 2 presentations each quarter? Our team has been making these presentations for several years online – we are a quality presentation! Of course we would like to hold our in person conferences again, and that may be on our calendar as well.

This is YOUR CHAPTER, to get the value you want from your IMA membership, let us know what your interests are, how we can provide a service that is needed, or if you have a bit of time and want to volunteer great! We always have small roles someone can help with or be part of a team. Reach out with your thoughts, we would love to hear from you.

We presented Erica Gales our Joseph F. Ryan Student Scholarship award recently. Please look for more information about this amazing accounting student and a picture of the presentation. If you have any College student who is seeking a degree that involves accounting, or finance, remind them our scholarship is awarded annually, and we would love to help as many students as we can.

Take care of yourselves and each other – let's work toward better than normal!.

Ellen

Joseph F. Ryan
Scholarship Winner
Erica Gales

Congratulations, Erica!! We wish you much success!!

Erica Gales is currently a Junior at North Carolina State University. She has shown that it is possible to be successful academically and maintain a strong career path. Erica has served in the Accounting Society at NC State as well as participated in the Jenkins Master of Accountancy – Accounting Internships Recruitment Program. She has many internships in her future with MDI, CommScope, and EY. Congratulations Erica, we can not wait to see where this career path takes you!

Welcome to the accounting department, where everybody counts!

What is one superpower an accountant would want?

Telepathy with an excel spreadsheet.

How do you know an accountant is having a mid-life crisis?

They get a faster calculator.

Why don't skunks have to pay taxes?

Because they only have one scent.
