InbarConnect FAQ

Let us help!

Please don't waste precious time trying to figure out a feature of this system if you’re stumped. Your ISBA staff is here to help you! Call us Monday through Friday, 8:30 a.m. to 4:30 p.m., at 1.800.266.2581, or contact your section/committee liaison (list enclosed).

How can I start receiving posts via the ISBA’s new e-discussion list platform?
Because InbarConnect is directly linked to our membership database, you’ve been auto-subscribed to receive posts for each section/committee of which you are a member in “real time,” so you will receive an email every time someone posts to your section/committee list.

Please note: All ISBA sections (except for the Utility Law Section) offer an e-discussion list for its members. A handful of committees also offer an e-discussion list. To see a personalized list of section/committee e-discussion groups to which you belong, visit connect.inbar.org (click on “Communities” in the blue menu bar at the top and then “My Communities”).

In order to participate in a particular e-discussion list, you must first join that section. To join a new section, click here: https://inbar.site-ym.com/members/group_select.asp?type=15056

How do I access InbarConnect (connect.inbar.org)?
InbarConnect is accessible through the ISBA website at www.inbar.org.

Also, you can access InbarConnect via the State Bar’s mobile app. To download, search for “Indiana State Bar” at the iTunes App Store or Google Play.

How do I start a discussion?
There are two ways to initiate a post:

1. Every section/committee e-discussion list has its own unique email address, so you can simply send an email to that address using your normal email service. You should have received an email from your section/committee chair with this unique email address - be sure to add it to your contacts so you can find it easily for next time!

   Example: inbar_criminal@connectedcommunity.org

   Please note: You can also get the posting address by contacting your section/committee liaison, or by visiting www.inbar.org (click on your section/committee page under the “Sections” menu option at the top).

2. Or, you can do so by visiting connect.inbar.org and follow these steps:
   a. Click on the “Sign In” button (blue) in the upper, right-hand corner.

How do I enhance my InbarConnect profile?
