News from the Journal of Revenue and Pricing Management

The definitive pricing and revenue management journal...

Featured article: Should airlines charge passengers by weight?

Economist Bharat P. Bhatta has stirred debate with his article **Pay-as-you-weigh pricing of an air ticket: Economics and major issues for discussions and investigations**. This article is available free to view for a limited time. See what *CNN*, *The Washington Times*, *The Daily Telegraph*, *The Huffington Post* and others have been talking about!

Call for Papers: Restaurant Revenue Management

In September 2014, a special issue of the *Journal of Revenue and Pricing Management* will publish a series of papers on Restaurant Revenue Management, which is a proven system for increasing profitability by leveraging meal duration, pricing, distribution, space allocation and occupancy to greatest effect.

The deadline for submissions is: 15 January 2014.

Read the Call for Papers [PDF, 26KB] for full details.
