1. Attendants: Abdullah, Bernard, Eli, Hamid, Ivana, Marcus, Mike, Rui, Young

2. 2022 INFORMS
   A. Currently, we have four session chairs. 5~7 sessions will be good.
   B. INFORMS demands four regular talks and one flash talk per session
   C. Special issue in Networks journal
      i. Rui is talking with the editor-in-chief of Networks. A special issue can be a motivation for submission.
      ii. Mike has a concern based on his previous experience about the rejection

3. TNAC 2023
   A. 30 rooms are reserved. Eli asks the best guess of the number of attendants.
   B. Hotel does not have equipment. Mike volunteers to prepare two projectors.
   C. Need to think about keynotes/workshops.
   D. Eli will talk to INFORMS about publicizing it. Abdullah will update the web site.
   E. If you have any idea on keynotes/workshops, email Eli.
   F. For the dissertation awards, we can confirm during INFORMS Annual Meeting.

4. New council members
   A. Three new council members are confirmed: Dilek, Yongkyu, Hamid.
   B. Term: 2022~2026

5. Best paper awards
   A. The call needs to be updated to accept papers published in 2020.
   B. Abdullah will update the call and announce it.
   C. INFORMS asks flash talks for the best paper awards, but we do not accept the request.
Telecommunications and Network Analytics section Business Meeting (October 25, 2021)

1. Council members
   A. Nomination of three council members by 11/15 to Abdullah

2. Dissertation awards (2023)
   A. Cover 2020~2022 dissertations.
   B. Applicants should have section membership at the time of submission and maintain the membership when being awarded.
   C. Mike will make the flyer and start promoting.

3. Best paper awards
   A. Committee: Abdulla, Young, and Deepak (I’m not sure Deepak agreed to join the committee)

4. 2022 INFORMS
   A. Cluster co-chair: Rui Zhang: U of Colorado
   B. Need more discussion for another co-chair.
   C. We can consider organizing a special session on the mainstream of telecom analytics.

5. TNAC 2023
   A. Steve proposed co-location with WTS 23 from April 18 through 21 in 2023
   B. Less risky in terms of financial perspectives and more accessible for European colleagues
   C. Eli will follow Steve offline for TNAC 2023, co-located with WTS.
