

DECISION-ANALYSIS NEWSLETTER

Volume 3, Number 1

Published by the ORSA Special Interest Group on Decision Analysis

The Membership List As of July 15, 1984

This large, special issue of the Newsletter is devoted to circulating the membership list of the SIG as it appears on the ORSA records, together with some individuals on the ORSA records as of a few months ago but not on their July 15th listing. Your editor has resolved all such anomalies in favor of inclusion. Please check your listing and report any errors on the form on Page 15. Changes that we know about, and that are of considerable interest to the SIG generally, are the following:

Derek W. Bunn
London Business School
Sussex Place
Regents Park
London NW1 4SA

Peter H. Farquhar
Graduate School of Management
Carnegie-Mellon University
Pittsburgh
Pennsylvania 15213

William F. Lucas
Dept. of Mathematics
Claremont Graduate School
Claremont
California 91711

Robert L. Winkler
Fuqua School of Business
Duke University
Durham
North Carolina 27706

Hard on the heels of Vol. 3 No. 1 come numbers 2 and 3, with abstracts and news of SIG activities. If you have any news of general interest to the membership, please phone it in, write, or use the form on page 15 of this issue. Due to significant organizational developments at Tulane (the endowment of the Business School and the Editor's having a full-time Secretary -- Linda Woodward), communications are best beamed to

Irving H. LaValle
A. B. Freeman School of Business
Tulane University
New Orleans
Louisiana 70118
(O) (504) 865-5484
(H) (504) 899-8110

When Linda and I are both out of the office, a recorder is attached. And when I am not at home, a recorder is attached there too. Thus, leaving messages should be no problem.

A note on format: this text is printed on a Texas Instruments 855, dot-matrix printer, with prestige-elite 12-pitch font. The heading is in Orator 10-pitch; and the listings on subsequent pages are in compressed Gothic, at about 17-pitch.
