Deep Ellum
What to eat

- Dallas is renowned for barbecue, authentic Mexican and Tex-Mex cuisine.
- But also has large amounts of restaurants featuring cuisines from all over the world including authentic Indian, Chinese, Korean, Vietnamese, African Cuisines, Taiwanese, and Persian foods.
  - Lots of vegetarian and even vegan options!
- Lots of fine dining options from famous chefs: John Tesar (Knife), Nick Badovinou (Montlake Cut & Neighborhood Services), Kent Rathbun (Jasper’s & Abacus), Stephen Pyles (Flora Street Café), Dean Fearing (Fearing’s), Tre Wilcox
Fun facts

- The Dallas Arts District is the largest urban arts district in the US
- Dallas has more restaurants per capita than New York City
- The frozen margarita machine was invented in Dallas
- The integrated circuit computer chip (which became the microchip) was invented in Dallas in 1958
- The first convenience store, 7-eleven, got its start in Dallas and the corporation is headquartered there today
- With the roof enclosed, the entire Statue of Liberty could fit into the Cowboys Stadium
Make it a July 4th family trip!

- Dallas zoo
- Fort Worth Stockyards
- Southfork Ranch
- Galleria Mall (and other great shopping!)
- Kaboom town (one of the best fireworks shows in the country!)
- Medieval Times
- Perot Museum of Nature & Science
- Frontiers of Flight Museum
