Idaho Community Health Center Association (ICHCA) is a nonprofit organization comprised of Idaho’s fifteen nonprofit community health centers.

Since 1982, we have promoted and supported vibrant, effective community health centers in providing accessible, affordable, and high-quality healthcare to all Idahoans.

Idaho health centers are leaders in healthcare transformation that achieves better health, better care, and lower costs.

We provide training and technical assistance to health centers and keep them current on issues and trends affecting the changing healthcare landscape.

We ensure the best interests of health center patients are represented across Idaho.

Statewide

192 clinic sites
67 communities
90 school based clinics
Sponsorship opportunities allow the chance to connect and network with staff, leadership, and key stakeholders within community health centers.

**GET INVOLVED**

ICHCA has several opportunities to support our mission and advance your goals through sponsorship. Each year ICHCA hosts events that bring together community health center leaders and other key stakeholders in Idaho’s healthcare environment.

**LEADERSHIP MEETINGS**

Sponsorship of an ICHCA Leadership Meeting provides opportunities for partnering with, and increasing your knowledge of, Idaho’s community health centers. It is also a great opportunity to be recognized as a supporter of improving access to healthcare for all Idahoans. In addition to the CEO’s, meetings may also include health center CFOs, COOs, CMOs, quality improvement staff, outreach and enrollment staff, and others. Attendance at the leadership meetings range from 15 – 40 participants.

**CONFERENCES**

Conferences give an opportunity to interact with a more diverse and often larger group of individuals at community health centers that have a strong impact day-to-day. Our conferences also involve key stakeholders, leadership staff, as well as other staff within the community health centers. Some of these events also offer a reception where networking is strongly encouraged. These conferences vary on topic and time each year, make sure to check with ICHCA Training & TA Team if you would be a good fit. Attendance at conferences range from 35-75 participants.

**WEBINARS**

Connecting with members outside of leadership meetings or conferences provides an opportunity to interact and build personal connections with niche groups within the health centers. Webinars are a great chance to present material and offer a live Q&A on your product. The audience for webinars ranges from 20-50 individuals and includes key stakeholders, leadership, clinical staff, and more.
ICHCA offers different sponsorship options to meet the need of your company. Please contact help@idahochc.org with questions or to become an ICHCA sponsor today!

**SPEAKER PACKAGE | $2,500**
