

# ICHCA LEARNING HUB ONBOARDING

If you are a community health center worker at any level, Idaho Community Health Center Association (ICHCA) is your association. ICHCA provides the resources, education, and dynamic collaboration that you need to provide the best possible care to those you serve.

The ICHCA Learning Hub is a collection of resources designed to help health center staff train and expand their knowledge base in various areas of focus such as quality improvement, value-based care, communications, outreach and enrollment, and more.

Here you can register for upcoming events, access handouts, learning modules and video webinars.

## HOW TO ACCESS

Go to [idahoche.org/home](https://idahoche.org/home) where you will see all of ICHCA's resources.

Click on Log In on the top right hand corner
