Conference and Technical Tour

FRIDAY 2 November

Conference Starts 8:45am (registration from 8:00am)

KEYNOTE PRESENTATION

"Leadership is the capacity to turn vision into reality" Warren Bennis 1925

Are our leaders delivering a vision and do they live by this ethos, or are we looking for unicorns?
If leaders do exist, are they turning vision into reality, and if so, what does that look like?
Join Robert as we consider what our future communities may look like in 2050, based upon the leaders of today.

KEYNOTE SPEAKER
Robert Fuller
CEO IPWEA Australasia

Conference Debrief 5:00pm - 6:00pm Prize Draws and Drinks at the venue

SATURDAY 3 November

Tour Starts 8:45am GATEWAY HOTEL (14 Fenton Street, Devonport)

THE "TECHNICAL" TOUR

Travelling in luxury aboard Smith's Travel coaches, we'll see sections of the Coastal Pathway - soon to stretch from Wynyard to Latrobe.

We'll stop off at the Dial Regional Sports Complex at Penguin to showcase the \$10.5m expansion development which opened in March this year.

You will see the height of the 2106 floodwaters in the historic town of Latrobe - at one time, Tasmania's third largest settlement.

Lunch will be provided at the Axemen's Hall of Fame where you will hear about the pioneers of the industry and the people who have succeeded in the sport.

You will have the chance to stretch out on the lush grass, under the beautiful trees at Latrobe's picturesque Bells Parade

The tour concludes around 3:30 pm at the Gateway Hotel.
