Invitation from IPWEA Australasia President

Ben Clark
President,
IPWEA Australasia

We are pleased to extend an invitation for you to join us as a sponsor or exhibitor at the 2027 International Public Works Conference. Hosted by the Institute of Public Works Engineering Australasia, the conference will take place at Crown Perth, WA from 13 to 16 September 2027. Our conference theme is *“Sustaining change: A Framework for Transformation.”*

Held every two years, the IPWEA International Public Works Conference continues to be a premier opportunity for organisations to connect with professionals across the public works sector, both within Australasia and globally.

With a mix of technical sessions, an expansive exhibition hall, and a range of social events, this conference offers an outstanding environment to build connections, strengthen relationships, and highlight your organisation. Our sponsorship and exhibition packages are designed to give your brand prominent exposure before, during, and following the event.

Across three days, delegates will hear from a compelling lineup of keynote speakers and participate in four concurrent streams of presentations, complemented by engaging networking functions and technical tours. It’s an experience built to inspire discussion and drive innovation long after the event concludes.

We encourage you to be part of this premier occasion.

Further information is available on the conference website:

CONFERENCE THEME

**SUSTAINING
CHANGE**
A Framework for Transformation

Institute of Public Works Engineering Australasia (IPWEA)

The Institute of Public Works Engineering Australasia (IPWEA) is the peak association providing member services and advocacy for those involved in and delivering public works and engineering services to the community.

Members come from the wide range of professions involved in public works and services including engineers, technicians, public works directors, finance directors, contractors, consultants, managers, and strategic planners.

Being one of our recognised sponsors provides a unique vehicle to bring local government, state and federal government agencies, civil construction organisations and consultants together in a professional and uncompromised arena.

Our commitment to you

- Commitment to our sponsors will begin from the time you confirm
- Ongoing point of contact at our conference organiser with support from your IPWEA hosts
- Prompt response to your queries
- Clear and timely information regarding your sponsorship and exhibition package and the logistics of putting the benefits into action
- Maximising the exposure of your sponsorship by ensuring that your logos appear promptly on the conference website and brochures as per your package

Conference Attendees

Why Sponsor?

Participating as a sponsor or exhibitor at the IPWEA International Public Works Conference can take you straight to your target market and demonstrate your level of support and commitment to the public works engineering industry.

The conference can provide your organisation with:

- Maximum exposure at a premier conference devoted to engineering and public works
- The opportunity to demonstrate your company's commitment to the industry
- An opportunity to build and reinforce strategic relationships
- Time to network with industry colleagues and key decision makers
- A cost-effective way to reinforce your organisation's brand and build brand awareness amongst a targeted and often hard to access audience
- Access to a broad network of industry partners from the public and private sectors
- Opportunities to tap into the growth market in public sector infrastructure
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities and educate the industry
- Increased marketing opportunities including visibility on the conference website and associated marketing materials
- The chance to affiliate your brand with a unique, dynamic and proven conference.

Packages and commitment levels vary and can be tailored to suit your marketing strategies.

Exhibition

A floorplan will be drawn to allow maximum flow, and even layout of catering stations.

Standard size single booths are 3m x 2m however multiple booths may be purchased.

Major sponsors will be given priority preference in their position.

Set up of booths will be on the Monday afternoon with pack down on the Thursday afternoon.

Same level sponsors will be awarded preference based on sign up date.
