CALL FOR ABSTRACTS

The Organising Committee invites you to submit an abstract (written papers are not required) for the 2017 Road Infrastructure Management Forum. The committee is looking for papers which are topical and of interest to conference attendees.

The forum will be showcasing ingenuity, with examples of leading best practice and thinking around adapting to current issues, innovating and managing better with what we have. This is a chance for you to share your experiences and knowledge with your peers and we encourage you to submit an abstract.

THE LOCAL GOVERNMENT ACT 2002 AMENDMENT BILL (NO 2) – Submissions closed 28 July 16

- Greater flexibility for Councils to use jointly-owned CCOs (Water and Transport)
- The management of jointly-owned CCOs through joint committees.
- Elected members will be prohibited from sitting on the boards of jointly-owned CCOs.
- Water and transport CCOs with powers under the Public Works Act 1981
- Accountability of CCOs, including requirements to give effect to a Council's LTP and SOI (Infrastructure Strategy)
- The introduction of a 'substantive' CCO > \$10 million (not restricted to water and roads)
- Councils able to prescribe benchmarks for assessing prudent management with respect to revenue, expenses, assets, liabilities & investments – implications for holding companies.
- Encourage Councils to work together to develop and consult on re-organisation proposals
- A more active role for the Local Government Commission.
- Changes to Council governance, consistent with Treaty settlements and iwi involvement,
- The Commission ensures Treaty settlement arrangements are reflected in reorganisation proposals.
