## **Interflow Factory Pipe Rehabilitation presentation and demonstration**

If you are an asset manager responsible for stormwater, common effluent/sewer and water main networks, the Interflow Factory Pipe Rehabilitation presentation and demonstration will be of interest to you.

This event, which is free for both members and non-members, will commence with a networking lunch at 12.30pm. This will be followed by Pipe Rehabilitation demonstrations in the factory for a range of technologies for pressure and non-pressure applications.

***\*\*Please note that attendees are required to bring their own PPE (safety vest, glasses and steel cap shoes).\*\****
