

Conduct Road Safety Audits RSACRA001 (A unit of 10799 NAT)

Monday November 25 and Tuesday November 26, 2019, City of Adelaide, 25 Pirie Street

This workshop has been developed to explain the purpose and procedures followed in Road Safety Audits. The workshop works through the AustRoads Guidelines and discusses case studies of Audits already undertaken. Day and night audits of selected local projects are performed by delegates.

The Guidelines provide practitioners and decision makers with ways to formally address road safety issues before accidents occur. They are based on the latest information available and incorporate the combined experience of State road authorities throughout Australia, local government and Transit National

Members:\$1350 + GST

Non Members:\$1600 + GST

Statement of Attainment

Participants who successfully undertake assessment associated with this unit will receive a statement of attainment for the following unit of competency RSACRA001 Conduct Road Safety Audits from the 10799 NAT Course in Road Safety Audits.
