NAMS Canada Incorporated. This subscription form is a tax invoice/receipt. Please retain for tax purposes.

## How the NAMS.PLUS subscription works

- Subscription allows access to NAMS.PLUS individual municipality/city specific site, online tools, templates and modelling
- NAMS.PLUS is an organization-based subscription program
- There is a one time Joining Fee based on municipal population that covers setup, initial access, contribution towards development costs. It includes complimentary access until the end of the current financial year.
- Ongoing subscription after the 1<sup>st</sup> financial year is an optional annual payment for continued access to NAMS.PLUS tools & resources
- NAMS.PLUS entitlements apply to ALL staff in the organization
