September / October 2021 Newsletter

I understand a lot of our members may have returned or may be returning to the office in some capacity over the coming months. As a board we have analysed the results of our recent survey and we have decided that based on the current results the events will continue to be available online as we look to move towards a hybrid model, if technology allows. We will continue to monitor this and change our approach as and when required.

We started our events calendar in September with an interesting and slightly different topic "Confident Presenter". For those of you who attended I am sure you will agree that this event was really informative. The survey is a little late in being rolled out for this event, however if you attended please complete the survey [here](#) to enable us to record your CPE. For all other members the video can be found [here](#).

Cyber Security

October is Cybersecurity Awareness Month. ISACA's [Cybersecurity Month resource page](#) includes many resources and conversations are ongoing in the [Information and Cybersecurity Online Forum](#). Follow ISACA on social media ([Twitter](#), [LinkedIn](#), [Facebook](#), [Instagram](#)) to join the conversation and share the content on your personal channels.

[Cybersecurity Fundamentals Lab Package](#): This interactive, self-guided lab package offers hands-on, performance-based training. Learners have access to the course for one year from date of purchase and will earn 9.5 CPE upon completion. This course has a seat time of approximately 8 hours and is accessed via the Learning Access tab of your MyISACA dashboard.

Events

Registration is now open for the following online events:

- 28th October - 17:30 to 18:30 - Insider Threat
- 9th November - 10:30 to 11:30 The benefits of the revision to ISO27002 standard

To avoid disappointment please be sure to register as soon as possible.

Placeholder:

- 8th December - Panel discussion and end of 2021 event

Special offer for recent graduates and students

All recent graduate and student members of ISACA are invited to attend the [ISACA Conference Europe keynote sessions](#) free of charge by using code **EUC21VRPM** at checkout **by 15 October**.

Mentor Program

ISACA's new [Mentor Program](#) is accepting applications until 24 October. For a limited time, members can sign up to be a mentor, mentee, or both! Create a career connection to seek and receive advice, guidance, and even CPE. Act quickly to secure your spot!

Cloud Auditing

[CCAK Online Course](#): This self-paced course includes interactive graphics and knowledge-based questions to prepare learners for the Certificate of Cloud Auditing Knowledge (CCAK) exam and obtain guidance on the nuances to auditing in the cloud environment. Learners will have access to the course for one year from date of purchase and will earn 12 CPE upon completion. This course has a seat time of approximately 12 hours and is accessed via the Learning Access tab of your MyISACA dashboard.

Privacy

[Privacy by Design and Default: A Primer](#): This publication helps readers consider privacy at every step of a product's design to build confidence and trust with consumers.

[Ensuring Privacy Through Effective Data Management](#): This free white paper discusses how to leverage privacy and data management to meet organizational goals, despite complex challenges.

CPE Opportunities

Keep your certifications in good standing, don't forget to obtain your required CPEs by 31 December 2021.

[ISACA Journal quizzes](#) are **free** to members and offer 1 CPE per quiz. Tip: If you have not been receiving a print copy of the *ISACA Journal* and prefer this format, visit the Preference Center to ensure your printed *Journal* is being delivered to your preferred address, be it home or work.

Earn CPEs in bulk—Earn up to 19 CPEs virtually by attending [ISACA Euro Conference](#) 20-22 October.
