Hi All, we hope this short newsletter finds you well.

As per last month we are locating the Newsletter on our new [Website](#). Please note the old website has now been decommissioned.

2. **April ISACA Chapter Event** - Our next event will be on **Wednesday 24th April**. The event will be held in the Pyramid Art Centre, Warrington. As normal we will start with a buffet networking lunch at 1pm and plan to finish by 5pm. We will have 3 presentations supplying 3 CPEs. The topics being presented include IT Security Awareness, Cyber and GDPR Privacy. Booking are now open and close at Noon on the 19th April. Book early to avoid disappointment. Please note this is a hard close, as we must inform our hosts who will be attending.

Booking will open on 28 March 2019 and will be available [here](#).

3. We will continue to use **SurveyMonkey** for feedback following the February and March events we will continue to trial this, but initial thoughts are very positive as a means to collect your feedback.
4. **Renewal**, if you have not renewed yet can I urge you to as HQ will be purging the membership roster at the end of the month and I would hate for to miss out on remaining a member of the Chapter.
5. Lastly, if you would like to suggest **locations or presenters** that our members would benefit from seeing, please do not hesitate to drop me or one of the other Board Members a line.

Thank you again for your continued membership and support, from myself and your Chapter Board.
