## Northern England Chapter

### September 2020 ISACA Northern England Chapter Newsletter

Hello everyone, I hope you and your loved ones are safe and well. I am pleased to provide you with a quick update from your Chapter.

#### **Videos on demand**

We are continuing to provide on-line events on our Chapter's site, if you could not attend the live session the recordings are available to view, with CPEs available for a number of months after they have been posted.

Our last event was on the **25th August** with Brian Hussey from Trustwave presenting on GoldenSpy an advanced Malware, affecting Western Organisations with business interests in China. If your organisation does any business in China, I urge you to view this video.

Each of our events have 1 CPE, once you have watched the video you will need to take the survey as the results (you need a pass mark of at least 2 out of 3) are used to demonstrate attendance for the upload of your CPE.

The CPE uploads will be approximately monthly, please use the email address and your name (e.g. Robert and not Bob, if you have Robert registered) you have registered with ISACA otherwise your CPE may not be processed successfully.

#### **Future Events**

As the pandemic continues, we are monitoring when and how we can return to face to face events. Is there a demand for them? Will employers release staff to attend? When will organisations allow visitors in numbers to attend their locations. Until we have clear answers to these questions and many others we will continue with on-line events.

## Northern England Chapter

We are currently planning on-line events for the coming months. One we hope to bring to you is a joint event with the Central Chapter with the ICO presenting for us.

I will let you know when we have our next events finalised for September and October.

### London Chapter Event

Our friends in the ISACA London Chapter are holding a 2-day event with their new partners, the organisers of UKSEC. They are holding an event on the 10<sup>th</sup> and 11<sup>th</sup> September, this will be their 3rd year in the UK region.

Northern England Chapter members can attend this conference for **free** which worth £199 + VAT! Free Registration Codes is below.

\*\*Registration is free with the code for any end-user members of ISACA chapters, subject to checks by the UKSEC team to ensure eligibility. Free registration is eligible for any member working in an IT security-related capacity for any UK organisation. IT Consultants will be considered on a case-by-case basis.

**Here is your Free Registration Code: *ISACAVIP*, use the link in the table below**
