CURRENT JOB TITLE

Technology Risk & Transformation Experience | CISA, CRMA, CCSK, COBIT 2019, BCCLA

SHORT BIO

Dimitris Kapsalis has more than 25 years of professional experience in IT Audit, IT Governance, Risk Management, and Cybersecurity, with extensive expertise across both the banking and consulting sectors.

He is an active member of ISACA Athens Chapter and has been serving as President of the Board of Directors of ISACA Athens Chapter since 2024. Through his participation in the Chapter's initiatives and events, he has demonstrated a strong commitment to collaboration, knowledge sharing, and continuous professional development.

REASONS WHY ISACA

I would like to express my interest in standing as a candidate for the Board of Directors of ISACA Athens Chapter. It has been a great honor for me to actively participate in the Chapter over the years, and I believe that, through my long-standing professional experience in IT Audit, IT Governance, Risk Management, and Cybersecurity, I can contribute meaningfully to the further development and strengthening of its work.

I am standing for election to the Board of Directors with the objective of supporting the Chapter's continued development through the delivery of high-quality educational initiatives, the attraction and engagement of new members, the strengthening of partnerships with industry and academia, and the promotion of emerging topics such as Digital Operational Resilience, Cybersecurity, Artificial Intelligence, and IT Governance.

I firmly believe that, through collaboration and shared commitment, we can further enhance the value that ISACA Athens Chapter delivers to its members and the broader professional community.

CURRENT JOB TITLE

Global Head of Internal Audit, Sunlight Group Energy Storage Systems S.A.

SHORT BIO

Stylianos Malamos is an internal audit executive with over 20 years of international experience in risk management, governance, and internal controls across multiple industries. He currently serves as Global Head of Internal Audit at Sunlight Group Energy Storage Systems S.A., leading a global audit function across four continents and advising senior leadership and the Board on risk, compliance, and control effectiveness. Previously, he was Chief Audit Executive at European Reliance Group S.A., where he transformed the internal audit function and strengthened corporate governance, establishing the company as a leading benchmark in the Greek insurance sector. Earlier, at Imperial Brands Greece, he built and led internal audit and compliance functions across Central Europe, enhancing internal controls and governance practices across multiple countries.

He holds a portfolio of certifications, including CFE, CISA, and CRISC, as well as ISO certifications 9001, 14001, and 27001, demonstrating expertise across fraud investigation, IT audit, and risk management. Fluent in Swedish, Greek, and English, he actively contributes to the profession through board roles and by organizing internal audit seminars and events in Sweden and Greece. He is also a member of the Board of Directors of IIA Greece and an active member of IIA Sweden, participating in international initiatives and professional networks.

REASONS WHY ISACA

I would like to submit my candidacy for the Board of Directors of ISACA Athens Chapter in order to actively contribute to its strategic development, strengthen its outreach, and further enhance the value it offers to its members.

As a long-standing certified ISACA member, holding CISA and CRISC certifications, and with over 20 years of international experience in internal audit, risk management and corporate governance, I believe I can contribute meaningfully and practically to the work of the Board.

Having been born and raised in Sweden, and maintaining an active professional presence in both Greece and Sweden, I would like to support ISACA Athens Chapter by leveraging international experience and best practices, promoting knowledge-sharing initiatives, and developing synergies, particularly with institutes and professional networks in Scandinavia.

I am confident that I can actively support the mission of ISACA Athens Chapter and contribute to strengthening its role and influence in the areas of IT Audit, Risk and Governance.

CURRENT JOB TITLE

Internal Audit Team Leader – IT Audit and Digital Banking, Alpha Bank

SHORT BIO

Manos Mantonanakis has more than 20 years of professional experience in Internal Audit within the financial sector.

He currently works at Alpha Bank as Internal Audit Team Leader – IT Audit and Digital Banking, specializing in information systems audit, cybersecurity, digital banking, IT governance, and technology risk management.

He has been a member of the Board of Directors of ISACA Athens Chapter since October 2024. His participation in the Board has given him the opportunity to collaborate with distinguished colleagues and contribute to initiatives that enhance the value of the Chapter for its members.

REASONS WHY ISACA

I would like to submit my candidacy again to the Board of Directors of ISACA Athens Chapter, following the completion of the current Board's term.

My decision to stand again as a candidate is based on my wish to continue contributing actively to the mission and further development of ISACA Athens Chapter.

I believe that my professional experience, together with the knowledge I have gained through my participation in the Board of Directors to date, allows me to continue contributing meaningfully to the achievement of the Chapter's strategic objectives and to the further strengthening of its presence and contribution to its members and the broader professional community.

It would be a great honor for me to continue serving ISACA Athens Chapter as a member of the Board of Directors, with consistency, professionalism, collaborative spirit, and willingness to contribute.

IT Audit | Information Security | Cybersecurity | Compliance | Business Continuity | CISA, CISM, CRISC, CDPSE, C|CISO, ISO 27001/22301 LA, ISACA Accredited Trainer, CEI, Board Member ISACA Athens Chapter

SHORT BIO

Kostas Perrikos is a senior Information Security, Compliance (GRC), and IT Audit professional with more than 20 years of international experience across the consulting, telecommunications, retail, and e-commerce sectors.

Throughout his career, he has led and delivered a broad range of IT audits, cybersecurity assessments, governance reviews, compliance engagements, and risk management initiatives. He has extensive experience in evaluating the effectiveness of IT internal control frameworks, assessing governance, risk, and compliance (GRC) processes, and advising executive management on information security, regulatory compliance, and technology risk.

Kostas has successfully supported organizations in strengthening their cybersecurity posture, enhancing operational resilience, and aligning with international standards and regulatory requirements.

He holds multiple ISACA certifications and is an accredited ISACA trainer for certification courses including CISA, CISM, and CRISC. He has been actively involved with ISACA Athens Chapter since 2021 and, from 2024 to the present, has been serving as an elected member of the Board of Directors.

REASONS WHY ISACA

I would be honored to be considered as a candidate for the upcoming ISACA Athens Chapter Board of Directors elections.

Having served on the Board since 2021, I remain committed to contributing to the Chapter's continued growth and success. If elected, I will continue to:

- Promote initiatives that deliver value to our members through knowledge sharing, professional development, and networking opportunities.
- Support the effective planning, organization, and execution of Chapter activities, events, and initiatives.
- Foster stronger engagement with members, volunteers, academic institutions, and industry partners.
- Contribute to the Chapter's mission of advancing the IT audit, cybersecurity, governance, risk, and privacy professions in Greece.

CURRENT JOB TITLE

Information Security Governance | ICT Risk Management | Third-Party Risk Management | Business Continuity | IT Audit | CISA, CISM, AAISM, CRISC, Business Continuity Certified Lead Auditor, ITIL

SHORT BIO

Stavros Tektonidis has extensive professional experience, primarily in the financial sector, having worked with Snappi Bank, Eurobank, ING Bank Belgium, and Alpha Bank.

Throughout his career, he has held roles combining technology, audit, risk management, information security, and regulatory requirements. He has worked on areas including Information Security Governance, ICT Risk Management, Third-Party Risk Management, Business Continuity, IT Audit, and the implementation of international standards and frameworks such as DORA, EBA Guidelines, BCBS, ISO 27001, and PCI DSS.

He holds ISACA certifications including CISA, CISM, AAISM, and CRISC, as well as Business Continuity Certified Lead Auditor and ITIL certifications.

REASONS WHY ISACA

I would like to submit my candidacy for election as a regular member of the Board of Directors of ISACA Athens Chapter, in the context of the elections of July 7, 2026.

My candidacy is not only based on my professional experience, but also on my wish to contribute more actively to a community from which I have personally benefited over the years. For me, ISACA Athens Chapter is not merely an organization that hosts events or supports certifications. It is a community where professionals with different backgrounds and experiences can exchange practical knowledge, discuss real challenges, and support the development of the profession in Greece.

I would like to support initiatives that provide concrete value to members, such as thematic discussions, workshops, case studies, and roundtables on topics including DORA, NIS2, ICT third-party risk, cyber resilience, AI governance, ISO 27001, and security governance.

I would also be interested in contributing to initiatives that strengthen the Chapter's role as an active professional community. These include initiatives such as SheLeadsTech, the creation of mentoring schemes for younger members, and stronger connections between the Chapter, universities, and young professionals.

I believe that such initiatives can make the Chapter even more useful, more open, and closer both to experienced professionals and to those who are now beginning their careers in the field.
