KPMG Associate Advisory Cincinnati IT Audit and Assurance Summer 2020

Job Description

Known for being a great place to work and build a career, KPMG provides audit, tax and advisory services for organizations in today’s most important industries. Our growth is driven by delivering real results for our clients. It’s also enabled by our culture, which encourages individual development, embraces an inclusive environment, rewards innovative excellence and supports our communities. With qualities like those, it’s no wonder we’re consistently ranked among the best companies to work for by Fortune Magazine, Consulting Magazine, Working Mother Magazine, Diversity Inc. and others. If you’re as passionate about your future as we are, join our team.

Responsibilities & Qualifications

KPMG is currently seeking an Associate for our IT Audit and Assurance practice.

Responsibilities:
• Perform data flow process mapping for client transactions and systems
• Conduct research and assist with IT Risk analysis
• Plan and perform tests of client’s information technology controls, including IT security and governance controls
• Identify and communicate findings and recommendations to senior management and client personnel
• Learn new and emerging technologies and explore opportunities to use intelligent automation
• Build and maintain client relationships commensurate with level and experience
• Coordinate with offshore team members to complete deliverables
Qualifications:
• Bachelor’s or Master’s degree in Management Information Systems, Accounting Information Systems, Computer Science, Accounting or Finance with an Information Technology concentration/double major, or other IT related degree from an accredited college/university
• Demonstrated quality service mindset, and general understanding of business systems and technology, as well as data analysis techniques
• Strong technical aptitude, critical thinking skills, and ability to navigate MS Office applications, including Excel, PowerPoint, Word and Outlook
• Excellent communication, time management, and leadership skills; flexible and adaptable team player; and resourceful in delivering high quality work
• Ability to work extra hours as needed to meet client deadlines
• Ability to travel and/or work on-site at client premises approximately 80 - 90 percent, at times with relatively short notice
• Target graduation dates from December 2019 through August 2020

Work Authorization

Applicants must be currently authorized to work in the United States without the need for visa sponsorship now or in the future.

Closing
