ISACA Netherlands and ISACA Belgium IT Governance Survey

2. EN version => <https://forms.office.com/e/yUs42MH0pE>

The survey questions are

General

1. In which country(ies) do you work?
2. For whom do you work? (select type of organisation)

IT Value

3. Is IT Value (creation) a commonly used term/concept in your organization(s)
4. How does your organization(s) define IT Value (creation) ?
5. How is IT Value governed and monitored?

Challenges

6. Could your organization benefit from more attention to IT Value-(creation)?
7. What are the challenges and issues for introducing, governing and/or increasing attention to IT Value in your organization(s)?
8. Which of these challenges and issues are unique for your organization and why?

Best practices

9. Do you have an example of a (most) successful introduction of implementation of IT Value-(creation)?

10. How successful was this implementation on a scale of 1 (not very) to 5 (very successful)?

11. Which methodology or framework did/does your organization(s) use for implementing and governing IT Value Creation?

12. Are you willing to share this case (if needed anonymized)

Contact info (optional)

13. Do you want to know more about this subject or want to discuss this subject with us?
