E-pocalypse: Navigating the future of email authentication

https://www.thesasig.com/calendar/event/24-02-19-governance/

Brace yourself for the E-pocalypse, as three major mailbox hosting providers are rolling out stringent email acceptance rules. But what if your customers and business partners suddenly stopped receiving your company's vital emails?

Friday 23 February, 11am-12noon (GMT)

Change management series: Change management for and across teams

https://www.thesasig.com/calendar/event/24-02-23-awareness/

In this session, we explore how to use our social nature to get whole teams thinking about how they will react to change. We look at countering the blamers and silent saboteurs, and creating a community of change champions who can engage and connect people with success stories people care about.
