**SASIG Webinars**

Monday 26 September at 11am (BST)

Who’s watching you? Beware of cybercriminals and corporate espionage

https://www.thesasig.com/calendar/event/22-09-26-awareness/

Dive into this interactive session to explore the methods criminals use to socially engineer their way into our accounts and gain access to our sensitive and valuable information.

Tuesday 27 September 9.30am-3pm

Edinburgh SASIG 2022

Edinburgh and Virtual

https://www.thesasig.com/calendar/event/22-09-27-edinburgh/

Wednesday 28 September 2022, 4pm-6pm (BST)

University of Surrey’s Centre for Cyber Security and Virtual
Friday 30 September 2022, 11am-12noon (BST)

Active Directory (AD) is the primary source of information for all enterprise resources and is core to the applications running an organisation, which is the reason it is a high-value target for adversaries. When compromised, business stalls!

Future SASIG Events for early registration

**Graduate Apprenticeship Programmes**

Several universities are offering this opportunity - Happy to add them if they provide contact details

**Glasgow Caledonian University**

The Graduate Apprenticeship Programmes including the Graduate Apprenticeship MSc Masters Cyber Security and the BSc Cyber Security both Programmes are fully funded and you need to be working in security role in Scotland with a Scottish post code address

https://www.gcu.ac.uk/study/graduateapprenticeships/

Ronnie Beattie would be delighted to hear from interested candidates for both Programmes
ronnie.beattie@gcu.ac.uk and 0771 4715286

**The Robert Gordon University Graduate Apprenticeship in MSc Cyber Security**

The 18-month fully funded course consists of four taught modules and a capstone project. It has two start dates (September and February)
and is available to applicants who are employed in a role related to the course of study, and who have the right to live and work in Scotland. The course is delivered primarily online, in addition to an on-campus workshop per taught module.

For more details and to apply, please visit:
