ISACA European Regional Webinar—Secure. Seamless. Passwordless

1 September 2022 | 11:00 AM Rome, Italy / 10AM UK

https://store.isaca.org/s/community-event?id=a334w000004xoprAAA

ISACA Europe Rome 19-21 October Hybrid Event  New Discounts

In Person $1395 Virtual $795 (exclusive of 22% VAT which is applicable to both prices)

Through 31 August, members and nonmembers automatically receive an early bird discount of US $200 off the in-person registration price. (The early bird discount is not available for the virtual rate.)

Through 14 October, members can receive a US $300 discount (using the code ICEU22CLR) for in-person and virtual registration prices. Encourage nonmembers to join ISACA to receive this discount.

In summary, members who register before 31 August using the code ICEU22CLR will receive a US $500 discount (i.e., US $200 early bird, plus US $300 with the code) off the price of the in-person conference rate. After 31 August, members who use the ICEU22CLR code will receive a US $300 discount off the full member price of the in-person or virtual rate.

PSI Planned Outages—PSI, the testing organization for ISACA certifications and certificates, will be upgrading a data center on 21 August, 2 October, 13 November, 8 January

Multi-Factor Authentication—On 18 August, ISACA will launch multi-factor authentication (MFA) as an optional layer of login security. Users should visit https://support.isaca.org if assistance is needed

New Member offers

Become an ISACA member today and receive ISACA’s AI Fundamentals Online Review Course (a US $220 value) free of charge. This exclusive offer for new members in Europe (as a whole) is valid through 31 December 2022. Use promo code MEMEURAICOURSE at checkout.
Member Survey – ISACA Global launched a survey to members on 12th August – Please Complete if you receive it

Graduate Apprenticeship Programmes

Several universities are offering this opportunity - Happy to add them if they provide contact details

Glasgow Caledonian University

The Graduate Apprenticeship Programmes including the Graduate Apprenticeship MSc Masters Cyber Security and the BSc Cyber Security both Programmes are fully funded and you need to be working in security role in Scotland with a Scottish post code address

https://www.gcu.ac.uk/study/graduateapprenticeships/

Ronnie Beattie would be delighted to hear from interested candidates for both Programmes
ronnie.beattie@gcu.ac.uk and 0771 4715286

The Robert Gordon University Graduate Apprenticeship in MSc Cyber Security

The 18-month fully funded course consists of four taught modules and a capstone project. It has two start dates (September and February) and is available to applicants who are employed in a role related to the course of study, and who have the right to live and work in Scotland. The course is delivered primarily online, in addition to an on-campus workshop per taught module.
