

Instructor

Adrian Hicks

Adrian is a programme management and security expert who has provided his expertise to world class organisations for more than 30 years. He is one of the two International Lead Examiners for "Managing Successful Programmes" MSP®. He is an NCSC (UK Government) CCP Registered security consultant.

Adrian has the unusual ability to combine in-depth technical knowledge with first-class practical application thus ensuring pragmatic, appropriate and cost effective delivery and benefits. He has been using his knowledge and practical experience to deliver effective training and mentoring in his areas of expertise for most of his career.

He is a Lead assessor for the NCSC IA Professional Certification scheme, NIST CSF Practitioner as well as ISACA Accreditation schemes for trainers in CISA, CISM, CSX-CSF, CSX-CAC and the new Certificate in Cloud Auditing Knowledge.
