# Local Outreach, Global Impact

The third annual event continued to inspire, educate, and deepen community connections throughout ISACA networks as well as local municipalities. Now an annual tradition, ISACA members, staff, their family and friends joined together on the first Saturday in October to help those less fortunate and improve the world around them. Technology enables connectivity, relationships, education and growth, and this day of service is evidence of the positive force of technology and people when we combine efforts for a common cause – building trust in each other and technology. When each of us does our part to improve the world around us, collectively we have a positive global impact.

## TOP 5 CATEGORIES OF SERVICE (BY HOURS VOLUNTEERED):

ENVIRONMENTAL

CHILDREN & YOUTH

CIVIC & COMMUNITY

EDUCATION

HEALTH

“I was proud to represent ISACA in an act of recognition to the medical community for its work during the pandemic.”

– BUENOS AIRES CHAPTER VOLUNTEER

“I was inspired about the testimonies shared by the sickle cell patients at the Health center and their positive attitude. I was impressed with their thrilled joy on how our day impacted their lives and the rest of the patients who visit the sickle cell clinic. It is very important and impactful to always remember the disadvantaged and identify with them.”

– KAMPALA CHAPTER VOLUNTEER

“Volunteering empowers me like no other task. It’s so satisfying seeing people get together to help others.”

– MALTA CHAPTER VOLUNTEER

## VOLUNTEER PROJECT HIGHLIGHTS

Two Alabama chapters, Birmingham and Huntsville, combined efforts to do a virtual trivia game, Free Rice Challenge, which aims to end world hunger.

Buenos Aires Chapter in Argentina gave gifts to doctors who have been heroes throughout the pandemic and expressed their gratitude.

Malta Chapter sorted clothing donations.

Kampala Chapter donated supplies to a center supporting patients with sickle cell disease and raised awareness of their cause.

Port Harcourt Chapter cleared refuse dumps and debris across major streets to enable inhabitants inhale non-contaminated air that improves healthy coexistence between the society and environment.

Bahrain Chapter cleaned up a local beach

Israel Chapter collected, packed and distributed agricultural products to Holocaust survivors

Belgrade and Atlanta Chapters removed invasive plants and planted new trees in their local communities

And Many More!
