

Half Day Talk: IT Professionals Career Seminar

Career development knowledge sharing session for new joiners and experienced professionals

Date/Time: 17 January 2019, 2.00pm – 5.30pm

Location: Sime Darby Convention Centre, Kuala Lumpur

Introduction

Is your career development where you want it to be? Are you new to the job market and interested in IT governance or cybersecurity and don't know where to start? This session aims to provide participants with keen insights from our speakers based on their decades worth of experience in cybersecurity and IT governance/assurance in Malaysia.

Speakers Profiles

Eddie Leng Siew Kheen
CISA, CIA, CPA, CSX(F)

Eddie has more than 18 years of working experiences providing, among others, technological assurance services with professional services and commercial organisations. He holds a Bachelor of Commerce degree majoring in Accounting and Information Systems; and is a CISA, CIA and CPA as well as a holder of the CyberSecurity Fundamentals Certificate. He is a Past President of the ISACA Malaysia Chapter.

Celeste Yau
Senior Consultant in Hays
Malaysia

Celeste is a recruitment expert in IT security, IT risk, and IT audit specialisations in Malaysia. She started her career with Hays two and half years ago as an Associate Consultant after graduated from Psychology Degree. She develops interest in recruiting for Cyber security positions after recruiting within the IT Infrastructure space for a year and this has always been rewarding. Celeste has also gathered a lot of valuable insights that can be shared across to the IT security or IT governance talents in Malaysia for their career progression.

Evguenia (Jane) Freider
Engineering Transformation
Lead in Jobstreet (Seek
Asia)

Jane has 15+ years of working experience as a software developer, a solution architect and an engineering leader. Jane holds Masters in Computer Science and 2 patents in software delivery algorithms; she is also a certified ITIL Professional and Scrum Master. Jane is very passionate about security and uses her knowledge and past experience in the application security and data privacy to lead security initiatives and earn customer trust at Seek Asia.
