

Dr Kamil Reddy is an Associate Director in EY's cybersecurity practice and has been a cybersecurity professional for 15 years. Kamil holds a Computer Science doctorate specialising in privacy and digital forensics. Over the course of his career he has been involved in a range of cybersecurity work across various industries, including the financial sector. His passion, however, is information privacy, a field he's been involved in for 12 years. Prior to joining EY, he was the Chief Privacy Officer of the Council for Scientific and Industrial Research (CSIR) in South Africa where he led the CSIR's Privacy Office and was responsible for the CSIR's compliance with its various legislative and contractual privacy obligations. Aside from cybersecurity, Kamil has, in the past, served on the Board of Trustees of a R2.5b pension fund for a number of years and on the audit committee of South Africa's Unemployment Insurance Fund, which manages funds in excess of R100b.
