

Kudakwashe Charandura

BSc, CISA, CISM, CEH, CPTE, CCSK, COBIT, CRCMP

CERTIFIED SAP SECURITY PROFESSIONAL

Partner / Director – Cyber Security

Kudakwashe Charandura is a Director/Partner within the Advisory at SNG – Grant Thornton.

Profile

Kudakwashe (Kuda) is a seasoned IT audit, risk and security professional with experience in both internal and external audit. He has serviced various industries in South Africa, Zimbabwe, Namibia, Guinea Bissau and Zambia, including Energy and Power companies, Public Sector, Banks, Agricultural, Manufacturing, Mining, Aviation and Telecommunications companies. He has over 15 years valuable experience in IT Audit, Cyber Security & Forensics, SAP Auditing, Project Assurance, Risk Management, Quality Assurance Reviews, IT Governance and Training. His experience includes advising various clients on how to effectively manage cyber risks, highlighting measures to secure and protect information stored and processed on computers.

Kuda is a seasoned speaker and presenter. He has presented on various forums and has published articles on Cyber Security & Resilience. He has been a guest speaker at conferences for the Institute of Internal Auditors (IIA), Information Systems and Control Association (ISACA), Cybercrime and Insurance Conference and ITWEB Security summit. He has written a couple of articles on Cyber Security and trending technology topics, including Ransomware, Data breaches, Importance of IT Governance.

Experience

Prior to joining SNG Grant Thornton, Kudakwashe worked for Old Mutual Central Africa and then Grant Thornton Zambia as Senior IT Audit Consultant.
