

## Zandile Nyawo

### ----- BIOGRAPHY

Zandile Nyawo honed her skills in corporate, business banking and public sector over 15 years in fulltime employment. She has a successful track record in Small Business Development, Development Finance, Commercial Business, Corporate and Public Sector Banking, Credit Lending, Structured Finance, Sales, Customer Relations, Innovative Marketing and Coaching. Zandile is a Business Rescue Practitioner and has spent hours lecturing subjects relating to Entrepreneurship, Risk Management, Sales, Leadership, Economics, International Banking and Trade as well as the Future of Banking and Finance. She has successfully coached and mentored entrepreneurs and leaders to increase self-confidence to pursue their business and personal career plans. Zandile loves improving people's lives, sharing knowledge and skills towards contributing to the betterment of the community. She has been involved in HIV and AIDS awareness programs, Youth developments and many other community development and support programs. She has full respect for human dignity and is passionate about creating value in whatever she does. Her appreciation for talent stems from her personal journey and support from mentors and inspirational leaders. Her parents are her inspiration and her family are her source of energy. She believes that humility builds character and reflection enables appreciation.
