### MESSAGE FROM THE CHAPTER PRESIDENT

Dear Chapter Members,

The New York Metropolitan area and New York State are finally seeing the light at the end of the dark COVID-19 tunnel. With favorable stats, the warmer weather, and the increase of vaccines administered, the city is finally opening up. Please continue to practice safe measures as directed by the CDC - wear a mask, and practice social distancing.

With the virus spreading rapidly across other areas of the country, **particularly India**, the New York Metropolitan Chapter Board of Director will continue to keep all members impacted in our thoughts and prayers.

Be kind to your mind. May is Mental Health Awareness Month. According to the National Alliance Mental Institution, (NAMI), "Each year millions of Americans face the reality of living with a mental illness." Give yourself sometime to learn more about mental health in your community. Find out more @ [www.nami.org/Get-Involved/Raise-Awareness/Awareness-Events/Mental-Health-Month](http://www.nami.org/Get-Involved/Raise-Awareness/Awareness-Events/Mental-Health-Month). Last year, we pivoted our programming to include a few of mental health related presentations in light of the pandemic crisis. It was truly an eye opener.

Finally, it is hard to believe the chapter year is coming to an end in less than 2 months, but we are not done yet! In April, the chapter presented our Virtual 2020 Annual Recognition event. The purpose of this event was to recognize our Past Presidents, Top Certification Scorers, Certification Recipients and Star Volunteers. I want to thank our Past President and 2021 ISACA Hall of Fame Recipient, Michael Cangemi, and Jay Ranade, world renown certification prep instructor (95% pass rate) for partnering with us to deliver a wonderful event. I also want to give a huge "**THANK YOU**" to our **Membership and Certification Committees** for a job well done. In the coming weeks, we have a number of informative virtual events, training courses, certification prep classes, and partnership events coming your way. We also continue to launch new ISACA Student Groups (ISGs), and form collaborative offerings with our academic partners. At this time, we are wrapping up our 2021 Cybersecurity Case Study/Scholarship Contest. This year, **Google** is one of our sponsors. **A BIG THANK YOU to the Academic Relations Committee and Chair, Eugene Levin** for making this possible. As a result of this sponsorship, we are able to increase our scholarships from last year.

More details regarding upcoming events, certification prep courses and educational offerings can be found in the following pages of this month's newsletter.

### BOARD ELECTIONS and the 2021 WASSERMAN AWARD NOMINATIONS

GET READY TO VOTE! Members of the New York Metropolitan Chapter will receive a board election ballot during the week of May 24<sup>th</sup> via email. Information will include instructions required to cast your vote for candidates running for board positions. You will be voting for the chapter board officers which include: President, 1<sup>st</sup> and 2<sup>nd</sup> Vice Presidents, Corresponding Secretary, Treasurer, Recording Secretary and 14 Director positions. The Chapter's Bylaws will be on the ballot as well. We will celebrate elected board officer and directors, and the winner of the Wasserman Award at the **June 24, 2021 Virtual Annual Gala (AGM)**. More information on the gala coming your way soon.

### NEW PARTNERSHIPS:

Through our partnerships, we have the ability to provide a wide range of events, and additional products and service offerings to you. We are pleased to announce the following new partnership opportunities. Please check our website for press releases, events, and more:

- **ISACA Global and Yeshiva University**
- **Project Management Institute (PMI)**
- **Mary Anne Walsh Consulting LLC (Life Coach) – Mentorship opportunities**

· **Long Island Chapter of the Institute of Internal Auditors (“IIA”)**

**VOLUNTEER OPPORTUNITIES**

If you are interested in volunteering, see our [volunteer webpage](#), and send an email to [volunteer@isacany.org](mailto:volunteer@isacany.org) to let us know the following:

1. What committee(s) you are interested in?
2. What is your time commitment?
3. Submit a photo
4. Short Bio (up to 250 words)

Feel free to reach out to me at [president@isacany.org](mailto:president@isacany.org) with questions.

**MEMBERSHIP COMMITTEE**

Chairperson: [Sam Vohra](#)

Co-Chairperson: [Christina Cruz](#)

The mission of the ISACA Membership Committee is to provide a meaningful experience for the chapter members through a series of educational, fun, and networking events.

Full time students and veterans are eligible for 25% discount of membership rates, upon presentation of current class schedules or valid student/veteran ID. Please be sure to register early for the upcoming classes.

On April 15, we held a virtual **recognition event** for the chapter’s past presidents, top certification scorers, certification recipients, star volunteers, and Top 40 under 40 nominees. Our honoree and ISACA 2021 Hall of Fame Inductee, **Michael Cangemi**, shared his career journey and encouraged attendees to stay active with and learn from ISACA.

Our next guest, **Jay Ranade**, announced the top certification recipients and certification recipients. Jay shared the evolution of ISACA’s certification and even got a chance to connect with some of his former students. We capped off the night with a big thank you to our past presidents, star volunteers, and recently nominated Top 40 under 40 IT professionals.

Our upcoming events include the Women in Technology event on May 12, CMMC Workshop (date TBA), and the Annual Gala on June 24. Keep an eye on our website and social media channels for more information.

Have a comment or question? Reach out to us directly at [membership@isacany.org](mailto:membership@isacany.org).

## EDUCATION

Chairperson: [Keith Bowie](#)

ISACA New York Metropolitan Chapter partnership with Cyber Intelligence 4U  
The education committee is very excited to announce the start of a new partnership with Cyber Intelligence 4U. This partnership will provide CI4U's extensive education catalog to ISACA NYMC member at extremely competitive prices.

### About CI4U

Enterprise Cybersecurity in Digital Business: Over 85% of a business is a digital asset. This explosion in digitalization is parallel to the explosion in cybercrime. Cyber criminals attack the digital assets. They steal data, interrupt business process with ransomware and denial-of-service and cause regulatory penalties and fines based on the data types you process and store in systems and technologies. The digital asset approach is based on 3 years of research with the Fortune 1000 and Cyber Insurance Industry Program with Proven Success: CIU works with universities, companies, and professionals by empowering hands-on skills-based training programs that are driven by today's market needs. With over 4,000 graduates since 2018, we've moved these thousands of learners into cybersecurity related careers. CI4U has offices in the USA, Israel, Germany and the UK

### Upcoming Course

The first course being presented as part of the partnership is an 8-week course on Tuesdays and Thursdays from 8<sup>th</sup> June to 29<sup>th</sup> July, 5:30pm – 9:00pm, providing 80 CPEs at a cost of less than \$20 per CPE.

ENTERPRISE CYBERSECURITY IN DIGITAL BUSINESS  
Cybersecurity is the #1 business issue. The Enterprise Cybersecurity in Digital Business course equips students with the fundamentals of cybersecurity from a business perspective. The program is based on market driven content that was created and is taught by over 200 cybersecurity professionals in order to provide students relevant, actionable cybersecurity knowledge and skills.

*Module 1: Evolution of Cybersecurity and Cybersecurity Basics*

*Module 2: Regulations, Standards and Frameworks*

*Module 3: Maturity and Cyber Tools*

## Spotlight Topic – [Federal Privacy Bill Seeking Bipartisan Support Appeals to Business Issues](#)

For more info: [Source 1](#) / [Source 2](#)

The Information Transparency and Personal Data Control Act was introduced in April 2019 and reintroduced in March 2021 after several bills were tabled due to the pandemic and the 2020 election. The bill seeks to protect the processing of consumers' sensitive personal information such as financial account numbers, passwords, biometric data, and location data and to ensure companies request and obtain consent from consumers for the collection, sale, and sharing of the sensitive information. The Federal Trade Commission (FTC) would be the primary source of enforcement, receiving additional funding and manpower. As part of the act's requirements, businesses would be audited at least every two years for compliance. The bill, made to be business-friendly, includes terms blocking state laws related to data privacy, excluding those that involve the protection of biometric information and preventing decisions made by the FTC from being used as the basis for class-action lawsuits. The proposed law has similar elements to GDPR and the California Consumer Privacy Act (CCPA), but doesn't ensure the consumer the right to access the collected personal data for correction or deletion. If the bill is passed, companies who fell outside of GDPR or CCPA's areas of influence will find themselves having to make major changes to their privacy practices to avoid violations.
