Message from the Chapter President

GREETINGS MEMBERSHIP!

Fall is here! Halloween, apple cider, pumpkin spice lattes, and Community Day!

Here are some general highlights from this month’s events:

- **Personal Update #2** - Now hiring for my organization
- **Leadership Series 5** - I am excited and proud to deliver the November 2nd Leadership Series Spotlight #5 presentation on “Character.”
- **Debrief from John C Maxwell Leadership Training** - which I have attended this month alongside Lion’s Pride Leadership.
- **Membership** - Exciting coffee break with Ken Fishkin, ISC2 New Jersey Chapter President.
- **Community Day** - Very successful event in partnership with Project Hospitality, YellowBoots, and some of our affiliates this year.
- **Board Nominations** - We are now accepting nominations for the 2023-2024 board year!
- **Volunteer Call** - Big call for volunteers to help us with our fun annual slate of events and activities.

**Personal Update #2**
As I have disclosed on my LinkedIn page: [https://www.linkedin.com/in/faridkader/](https://www.linkedin.com/in/faridkader/), I have recently joined New York Life Insurance Company. In the spirit of transparency I want to let you know that I am now hiring for my organization. Please feel free to apply for open roles through my LinkedIn page. I would love to keep receiving applications from chapter members.

**Leadership Series Spotlight #5**
I am proud to be chapter's fourth speaker in the Leadership series! The November 2nd Leadership principle is “Character.” I plan on bringing that principle to the spotlight along with many leadership anecdotes that have helped me on the teaming side of leadership. Appreciate Jim Ambrosini, Nigel James, and Chad Reyes’ enormous presentations. I will try to follow their lead.

Please send your questions in advance of this training to President@isacany.org.

- “Reputation is for a time; Character for a lifetime” – JB Gough
- “Knowledge will give you power, but character respect” – Bruce Lee
- “Talent is a gift, but character is a choice” – John C. Maxwell
- One can manipulate a first impression. Character impresses on in one’s absence; it precedes its owner

**Debrief from John C Maxwell Leadership Training**

Some of you all may know that I have attended the #Live2Lead training conducted by John C. Maxwell, Doris Goodwin, Eric Thomas, Patrick Lencioni, and Tim Elmore. This training was preceded by a dinner with Dr. Chris Auger, BCC, US Navy Seal. Amazing individual perspectives on leadership.
Some tidbits from these interactions:

**Chris Auger**
- Leadership is about being available and approachable. Chris told us about the importance of rest and mediation in our daily cycle to avoid “emotional hijacking” by others.
Emotional intelligence is 60% of success.
- The importance of letting your team know whether they have a view, voice, vote, or veto power on a team before you get into the details.
- Letting your teams know that you have their best interest at heart before giving options on direction.
- Hire intentionally. Be clear in your direction, or else the hire is asking to be course corrected.
- Be intentional about having a healthy tension between work and life.
- Accept your role in feedback.
- Clearly “telegraph your value system.” Express it clearly, and no one will intentionally cross it.
- Eliminate the why questions. Ask what and how to get it done.
- Mentality shift – Appreciate what you have vs. what you want. Change tasks and chores to opportunities and habits.

**John C. Maxwell**
- Leadership is not just applying the principles but multiplying the many.
- You need to “get over yourself, to give yourself” to others in the leadership journey.
- Key to connecting to people, “is knowing it isn’t about you.”
- People can’t put themselves in their story if it is all about you.
- Leadership is a journey with no endzone. It is a marathon.
- Action Attraction- Action attracts opportunities and success. You can’t hope for success.
- You never leave something. You are actually going to something. That something is purpose and focus.
- “You give up to go up”- the greatest challenge in tomorrows success is todays excess.
- Everything you want and need is outside of your comfort zone. There are tradeoffs all along the way. There is no top to the mountain. There is no end. You pay again, and again and again.
- We have assumptions because we don’t ask questions.
- Leverage the “open ear policy”
- Communicators know it’s all about others.
- Your first impression must be your best impression. No winging it.
- Good communicators lead with their strength and use it often.

**Eric Thomas**
- Know everyone’s “WHY” on the team, including yourself.
  - What values or behaviors are non-negotiable for ME, no matter the circumstance or situation?
- Mix generations on a team to get a broader perspective.
- Words matter. Make the words count.
- You can not be better than others but be more developed- more primed.
- Build your mentor list. Learn, develop, relearn, develop and share the wealth.
- Someone is counting on YOU to step up and be all that you can possibly be.
- Three keys to effective leadership
  - A Powerful WHY
  - Effective Communication
  - Strong Values

**Patrick Lencioni**
- Know your gift, learn it, and share it.
- Life is in thirds. 1/3 is work, 1/3 is your life, 1/3 is your sleep. Maximize balance to make them all feed each other intentionally.
- Spend one hour on a subject for five years and you will be an expert on that subject.

**Tim Elmore**
- Hard times build a strong generation, whereas good times build a weak generation.
- Clarify your decision-making/communication norms to all.
- Distinguish between preferences, expectations, and demands.
- Match “modern elders” & “young geniuses” on task teams to bridge generational gaps.
- Invite all generations to messaging copy meetings.
- Launch “reverse mentoring” groups on your staff.
- With Gen Z
  - Trust must be earned
  - Relationship must be established
  - Incentive must be cultivated
  - Ownership must be given
  - Hope must be offered.
There were certainly a lot more, but hours and hours of this amazing feedback will be disseminated during a coffee break with Lion's Pride Leadership soon.
Membership
We had an incredible coffee break with Ken Fishkin, ISC2 New Jersey Chapter President, who graced our Membership committee with insights that may help emerging IT Audit, Risk, and Cybersecurity practitioners. Ken emphasized investment in one's self, gaining soft skills, squishing imposter syndrome, need for self-promotion, "consulting" vs "industry" working, stepping out of our comfort zones and much more.
We had one of the highest attendances on record. We look forward to having Ken back soon.
A Chance to Try Something Different

**Consulting**

- Profit Center
  - Diverse knowledge of industries, clients and business practices
  - Gain a diverse set of skills
  - Networking opportunities
  - Greater autonomy
  - Heavy workload demands
  - Tight deadlines
  - Could be a heavy amount of travel
  - Sales component

**Industry**

- Cost Center
  - Can make a greater impact to the org
  - Acquire depth in a particular industry
  - More stable during bad economy
  - Less competition with peers
  - Work / life balance
  - Less opportunities to meet with senior management
  - Less breadth in industry practices
  - More limited scope of work

---

**Getting Involved and Self Promotion**

- 1. Develop articles, blogs, videos
- 2. Build relationships – I don’t call it networking
- 3. Show off your accomplishments in LinkedIn
- 4. Seek out speaking opportunities
- 5. Make my own luck

---

**CommuniTy Day**

Our Chapter teamed up with ISACA Global, YellowBoots Long Term Recovery and Disaster Preparedness Group, Staten Island Long Term Recovery Organization, Project Hospitality, Guyon Rescue, and the German Peace Corp on 10/1 for CommuniTy Day. We were able to build pantry bags for over 1,600 individuals! If you are interested in joining our next CommuniTy event, please email membership@isacany.org!
Board Nominations
Nominations: We are now accepting nominations for the 2023-2024 board year! Please visit https://engage.isaca.org/newyorkmetropolitanchapter/board-election for the nomination form and directions. Email Nominations@isacany.org with any questions or concerns.

Volunteer Call Ongoing Call
We are still ironing out final Board Director to Committee leadership alignment. We will release that information in the September newsletter. If you are interested in volunteering, here are a few things you may not be aware of:

- Volunteers can earn up to 20 CPEs for volunteering each year! This would be the equivalent of a few thousand dollars of training time.
- Volunteers get option to attend ISACA Chapter events for reduced pricing and occasional waived fees. Volunteers supporting live events are usually comped.
- Volunteers have option to become Associate Directors, which give them increased exposure to the Board Directors and Membership.
- Volunteering is not only a great way to give back, but also opens career opportunities through the inherent networking model aligned to it.
- Many volunteers are entered into the ISACA New York Metropolitan Chapter Leadership Training program.

If you are interested in volunteering, please email me President@isacany.org and Volunteer@isacany.org with your interest.

Important Notices
- **Women in Tech Spotlight**: The Women-In-Tech Spotlight series is an honorary program that recognizes the leadership and professional accomplishments of women in the information technology, information security, and governance, risk, and compliance industry. Nominations are currently being accepted. Submit your nomination using the link here.
- **Top Four Under 40**: Nominate your emerging professional rising star here! Our four rising stars will (1) be featured on our website and social media, and (2) will be reimbursed for their study materials and exam fees for 1
certification (upon "pass" grade). The emerging professional must be a member of the New York Metropolitan Chapter to be eligible.

Us Board Directors do not take this opportunity for granted. We appreciate the opportunity to partner and serve you all.

Stay Safe & Awesome New York,

Membership Committee

Alyssa Vumbaco, Chair

Japneet Kaur, Co-Chair

Sam Vohra, Co-Chair

The mission of the ISACA Membership Committee is to provide a meaningful experience for the chapter members through a series of educational, fun, and networking events. We are currently in the process of planning for our 2022 – 2023 Chapter year, which kicked off in July. If you have ideas for future events or are interested in volunteering for the Chapter, please send an email to membership@isacany.org. Full-time students and veterans are eligible for a 25% discount off membership rates, upon presentation of current class schedules or valid student/veteran ID. Please be sure to register early for the upcoming classes.

SheLeadsTech Subcommittee

Alyssa Vumbaco, Chair  
Christeen Russell, Chair

What is SheLeadsTech?
SheLeadsTech is a women-focused program which works to increase the representation of women in Technology leadership roles and the workforce. Powered by a vast global network of women IT professionals dedicated to supporting others, SheLeadsTech provides women with mentorship, leadership training, and skills training to grow and excel within the industry.

What’s new with SheLeadsTech? Get Ready for the First SheLeadsTech Tuesday Event!

Join us on November 29th for our first SheLeadsTech Tuesday. Karen Alexander, Sr. Director, Card Risk Business Chief Risk Office at Capital One, ISACA New York Metro Past President, and founder of the SheLeadsTech initiative in the NYM Chapter will be our Keynote Speaker. Karen will walk us through her career journey, including the importance of growth and resiliency. Throughout this chapter year we will host a series of SheLeadsTech events. These events are meant to strengthen and grow our SheLeadsTech community. Gatherings will be a mix of in-person and virtual events. Keep an eye out for further developments on the program. For this program to be a success, we need your help. If you are open to volunteer behind the scenes, speak, or be a breakout session leader, please write to sheleadstech@isacany.org or reach out to one of our chairs directly.

Call to Action!
Nominate - Each quarter, SheLeadsTech highlights a woman in Technology or Cybersecurity to celebrate her professional accomplishments. Submit your nomination using the link here

Volunteer - Join our Task Force to help support the SheLeadsTech initiative. If interested in joining please email sheleadstech@isacany.org.
Emerging Professionals Subcommittee

Alyssa Vumbaco, Chair  
Christeen Russell, Chair

The Emerging Professionals (EP) Committee focus on members new to the profession and members 40 and under, representing the future of the profession. We provide guidance and networking opportunities as emerging professionals navigate through the early stages of their career.

A big thank you to our speaker Ken Fishkin for hosting our latest Coffee Break on September 29th and to all those that attended the event!

Call to Action!

Volunteer - Join our Task Force to help support the Emerging Professionals initiative. Get your ideas heard, plan events, build your network. If interested in joining please email emergingpros@isacany.org.

Speaker Opportunities – If interested in speaking at an upcoming event please email emergingpros@isacany.org.

Mentoring Opportunities – If interested in being a mentor please email emergingpros@isacany.org.

Nominate - Top Four Under 40 is an annual program that recognizes four ISACA New York Metro members under 40 in the IT Audit, Cybersecurity, and/or GRC space that have contributed extensive value to the team and company in which they work. They go above & beyond, and we want to recognize them for their contributions to our sector. The Four Emerging Professionals are honored at our annual recognition event and highlighted on our social media channels. They also score a seat at future exam review classes (worth approximately $600)!

Note: The emerging professional must be a New York Metropolitan Chapter Member to be eligible. Top Four Under 40 Recognition Award nomination form can be found here.
ISACA®’s top priority, as we all navigate the COVID-19 pandemic, is you and your well-being. ISACA has been actively working towards a live remote proctoring option for all certifications and education event. Please refer to the isaca.org website www.isaca.org for further information on how to register and take the desired exam within one year. While you are getting out of the Pandemic lockout, why not knock out a couple of certifications for your career. As rumors about tech market downturn spread, survivors will be the ones with knowledge and certifications. ISACA NYM chapter is scheduling many classes starting Jan 1, 2023 which will help you achieve that goal.

Special announcements:
- Due to the COVID-19 Pandemic all Training & review classes will be provided as a live broadcast webinar only. No onsite classes.
- For those who will be appearing in any exam at home, please be sure to use a personal laptop instead of a company’s laptop as there have been issues when doing so during the exam.

The New York Metropolitan Chapter continues to offer certification and certificate exam review classes for CISA, CISM (new exam domains), CRISC, CGEIT, CDPSE, CCAK and CCSK.

In addition, we are also offering a few new classes as well. JAY RANADE, who has been teaching ISACA certification exam review classes for our chapter since 2006, will be teaching all exam review classes for the year 2022 hosted by New York Metropolitan Chapter. Please mark your calendar for the upcoming exam review classes in 2023. EARLY BIRD Registration rates are now open for all certifications and education event. DON’T WAIT, SAVE NOW.

At last, the Training & Development Committee would like to wish all readers are happy Fall!!!

Join us for TrendMicro/ISACA NYM Threat Hunting Challenge on November 17th!

Sponsored by Trend Micro and ISACA New York Metropolitan Chapter

Red Team Challenge

November 17, 2022 | 2:30 p.m. - 8:00 @ VR World NYC

Please register here.

Navigate a simulated cyberattack in real time! The game is designed to provide hands-on experience tackling real-world security problems using threat hunting and breach detection power of Trend Micro Vision OneTM. Whether you are a novice or a skilled security professional, this experience has something for everyone – just bring your laptop and your “A” game.

During this challenge you will get to:

- Understand the tools and techniques used by hackers
- Learn how to remediate a vulnerability and identify infrastructure security gaps
- Plan and implement security measures as well as respond to threats

The afternoon will kick off with lunch, followed by the Red Team challenge, that will take about 2.5 hours to complete. Premium prizes will be awarded to those who come in 1st, 2nd, or 3rd place. Following the challenge, there will also be a 2-hour open bar, and attendees will be free to play VR games and explore the center!

All participants will receive 2 CPEs upon completion of the challenge.

ACADEMIC RELATIONS
Are you interested in working with students and earning CPE credits? We have some volunteer opportunities for you below!

**Survey Questions**
ISACA NY Metropolitan Chapter and CUNY has partnered up to identify ways of expanding and helping student’s knowledge of IT outside of the classroom walls, but we need your help! Please fill out this form, which will help us collect data from our ISACA members to learn more about them as well as how you can help Academic Relations and our CUNY students.
**Deadline: November 18th**

**CUNY TIRC Program**
If you are interested in teaching at a university for the spring semester (January 2023- May 2023), ISACA NY Metropolitan Chapter has partnered with CUNY (City University of New York) Central for the NYC Tech-In Residence Corps (TIRC). The Tech-in-Residence Corps was launched in 2017 by the City of New York, NYC tech companies, and CUNY to equip college students with the in-demand skills they need to enter the workforce. Co-designed by industry and academia, the program aims to infuse real-world experience and skills, taught by today’s top tech leaders, into tech degree programs. Tech-in-Residence Corps members are equipped with training and support to teach the next generation of NYC students.
To register or to learn more about the program, visit this website or email us at academic.relations@isacany.org.

**ISACA Academic Relations Advisory Team Volunteer Opportunity**
ISACA Academic Relations is looking for volunteers who are willing to work closely with our ISACA Student Groups for the following key activities:
- Advise the student bodies of the ISACA clubs in planning, marketing, and executing events
- Advise students on how to conduct elections and transition roles for each semester/academic year
- Inform students of upcoming ISACA events
- Report to the Chair of Academic Relations on student activities and resources needed for the clubs (e.g.: speakers for presentation, food for ISACA events, etc.)
- And more!
Volunteers for this team will begin in January 2023!

**Call to Action**
- Looking for IT professionals who would like to give a presentation on any IT topic at any university
- Looking for mentors to work with students during 2022-2023 academic year and help them with career development and job search

If interested please fill out the ISACA NY Metropolitan Volunteer Form or email us at academic.relations@isacany.org.
Eugene Levin, Acting Chair

In the Fall of 2022 New York Metropolitan Chapter is going to award three $1,500 scholarships to students interested in Digital Trust professions.

If you have any updates, you believe are worth noting, please email our chapter lead.

Spotlight Topics
FBI and CISA Publish Advisory on Malicious Cyber Activity Against Election Infrastructure
A joint announcement was published by the Federal Bureau of Investigation (FBI) and the Cybersecurity and Infrastructure Security Agency (CISA) around malicious cyber activity for election infrastructure. The document mentioned that any compromises to infrastructure are unlikely to result in disruptions or prevent voting. FBI and CISA were able to block and mitigate risks with minimal or no disruption to election processes. They will continue to respond quickly to potential threats, provide recommendations and notify stakeholders about any dangers. Apart from the FBI and CISA, US Cyber Command (USCYBERCOM) and the National Security Agency (NSA) established a body called Election Security Group (ESG) to practice electoral procedures from any hacking and disinformation.

US DHS Grant Program Can Boost Local Governments’ Cybersecurity Strength

The US Department of Homeland Security (DHS) announced the first cybersecurity grant program for state, local, and territorial (SLT) governments across the country to protect against the cyber threat. Funding for the State and Local Cybersecurity Grant Program (SLCGP) and the Tribal Cybersecurity Grant Program (TCGP) will be regulated by the Cybersecurity and Infrastructure Security Agency (CISA) and the Federal Emergency Management Agency (FEMA). To qualify for funding, the SLTs must develop and establish appropriate governance structures, understand their current cybersecurity position, implement necessary security protections, and ensure that the personnel is trained in cybersecurity.

1. What committee(s) you are interested in?
2. What is your time commitment?
3. Submit a photo
4. Short Bio (up to 250 words)

Feel free to reach out to me at president@isacany.org with questions.
Stay informed, follow CDC guidelines: https://www.cdc.gov/

JOB OPPORTUNITIES
Employers: List open positions on our website for FREE! Openings are posted for 30 days unless you direct otherwise. Send position description and contact information to jobs@isacany.org. NOTE: job postings can only be seen by registered users logged into our site.
