Directors’ Report

Principal activities of ISACA Sydney
ISACA is an international not-for-profit member based professional association.

The primary business activity of ISACA is to support the professional development of its members across 4 streams: governance of IT, IT assurance, IT risk management and information security.

At an international level, ISACA develops and maintains frameworks and hosts certification exams across each of the 4 streams.

At a local level, ISACA Sydney Chapter provides regular professional development sessions across the 4 streams, low cost training sessions and more recently research and advocacy in whitepapers.

ISACA’s vision is to enable its members and employers to achieve ‘Trust in, and value from, information systems.’ To achieve this, our local mission is to improve the ability of our members to implement ISACA frameworks and pass our certification exams. ISACA Sydney Chapter also focuses on providing networking opportunities for like-minded people keen to learn and grow.

Strategy setting and performance measurement
ISACA International uses a balanced scorecard to set objectives and measure performance against these objectives. Each year the local ISACA Sydney Chapter board rates itself against these objectives and sends the results to ISACA International.

ISACA Sydney Chapter defined a 2012-2014 strategy in April 2012. This was aligned to International’s strategy and to member needs taken in a membership survey in April 2012. The Strategic Direction (2012-2014) included the following key goals to excel in:

- Member experience
- Learning and growth
- Operational effectiveness
- Financial contribution

Key risks to the company have been identified, reported and necessary actions taken.

The Directors table a performance report at each Board meeting and key points are highlighted for discussion. These discussions include financial reports, professional development, sponsorship and membership.

Financial
During the year the company received income from various sources including membership fees, technical seminars, review sessions, CACS profit share and advertising. Outgoings were predominantly remittances for secretarial services, audit fees and the costs associated with holding seminars, conferences, and CRISC, CISA, CISM and CGEIT review sessions.

Staffing
The company has no employees.
Directors

Your directors present their report together with the financial report of ISACA (the company) for the year ended 31 December 2014.

The following persons were directors of the company during the whole of the financial year and up to the date of this report, unless otherwise stated:

1. Mr Andrew Bornhorst
2. Mr Asaf Ahmad
3. Ms Carmen Hawkins
4. Mr David Roche
5. Mr George Watts (Resigned April 2014)
6. Mr Gurvinder Pal Singh (Appointed April 2014)
7. Ms Jennifer Foo
8. Mr Lambros Lambropoulos
9. Mr Michael Franklin (Appointed January 2014)
10. Mr Michael Wright (Resigned June 2014)
11. Mr Mike Thompson
12. Mr Paras Shah

Meeting of directors

The number of directors’ meetings held and number of meetings attended by each of the directors of the company during the financial year 2014 were:

Information on Directors

PARAS SHAH
President

CGEIT, CRISC, CISA, CA

Experience and expertise: Paras is Founder and Principal Consultant at Vital Interacts; and specialises in IT governance, risk management, assurance and information security. He is also a member of ISACA’s Framework Committee.

Chapter board involvement: Paras was appointed to the Board in April 2013.

ANDREW BORNHORST
Vice President

CRISC, CISA

Experience and expertise: Andrew was appointed to the board in 2012. Andrew is an Energy Markets Compliance and Operational Risk Professional at Origin Energy. He has held accounting, risk, compliance, programmer, and consulting roles for various companies in the Australia and the US.

Chapter board involvement: Andrew was elected to the Board in April 2012.

GURVINDER PAL SINGH
Vice President

CISM, CISA

Experience and expertise: Gurvinder Pal Singh has a background in information technology, architecture, risk management and audit, he is uniquely positioned to identify and apply contemporary technology solutions in support of complex business need across many industry types. Gurvinder is currently employed by SydneyRail.

Chapter board involvement: Gurvinder was appointed to the Board in June 2014
JENNIFER FOO

Company Secretary

B. Information Technology, CISA, CISM, CRISC, CGEIT

Experience and expertise: Jennifer is a Principal Analyst at the Prudential Regulator, APRA. She has 18 years of industry experience in IT Delivery, Project Management, Consulting, Risk Management and Governance across Asia Pacific which she now uses in her supervisory role for APRA at one of the big four banks.

Chapter board involvement: Jennifer was appointed to the Board in April 2013

ASAF AHMAD

Treasurer

BSc Engineering, M.Tech. in Management & Systems, CISM, CRISC, COBIT

Graduate Certificate in Strategic IT Leadership, DR/BCM, ITIL Foundation and RCV

Experience and expertise: Asaf Ahmad is a CISO at Fire and Rescue NSW, and responsible for Information Security, IT Risks, DR/BCM and Compliance. Asaf has over 25 years of experience in Governance and Management of Enterprise IT, IT Risk assessment, ISO 27001, IT Consulting, and Project management. Has worked in Design and Engineering, Information technology organisations both in Government and Private sectors.

Chapter board involvement: Asaf was elected to the Board in April 2011.

DAVID ROCHE

Immediate Past President

MAICD, CGEIT, CRISC

Experience and expertise: David is an independent management consultant at Governance Architects. He has 24 years experience across strategic planning, transformation, PMO, governance, IT, risk management and sales and marketing. He has 9 years Board experience in the NFP sector and is a member of Australian Institute of Company Directors.

Chapter board involvement: David was first appointed to the Board in 2006 and was President from April 2012 to April 2014.
MICHAEL THOMPSON

Past President

CISA, CRISC

*Experience and expertise:* Mike has held IT Assurance roles in Banking & Finance for over 20 years and is currently Practice Lead, Risk Advisory, Vital Interacts.

*Chapter board involvement:* Mike is Chair of the Oceania CACS Sydney 2015 Committee. He was Sydney Chapter President from April 2010 to April 2012, and is Past President of ISACA Chapters in NZ and PNG. He was first appointed to the Sydney Board in April 2005.

CARMEN HAWKINS

Director

FCPA, FIIA, CIA, CRISC

*Experience and expertise:* Carmen is a past Sydney Chapter President, a member of the 2013/14 ISACA CRISC TES Committee and has previously chaired the Membership Growth & Retention Committee and served on the Conference and Education Board. Carmen chaired the 2003 and 2008 Oceania CACS Conference Organising Committee.

*Chapter board involvement:* Carmen was appointed to the Board in 1999.

LAMBROS LAMBROPOULOS

Director, Academic Relations

BA, MA, M. Com, CPA, CISA

*Experience and expertise:* Lambros works for the Audit Office of NSW as an IS Audit Leader. He has 16 years of experience in Audit and 5 years of internal audit in the financial Sectors.

*Chapter board involvement:* Lambros was appointed to the Board in September 2012.
MICHAEL FRANKLIN

Membership Director

MSc (Information Technology), CISA

Experience and expertise: Executive Manager Technical Risk, Digital Protection Group, Commonwealth Bank of Australia. With over 15 years of IT experience in the information technology (IT) industry. He is the Technical Risk Manager for the Digital Protection Group, looking after the Operational Risk Management Framework for IT Delivery Services (ITDS). He is responsible for BAU, identification, assessment, controls assurance management and monitoring for IT technical operations under IT Delivery Service, Enterprise Services.

Chapter board involvement: Michael was appointed to the Board in January 2014.

MICHAEL WRIGHT

Director

BA, CISA

Experience and expertise: Mike has 30 years IT related experience divided equally between working in IT itself and audit & risk compliance with major international corporations such as Exxon, Qantas and Cable & Wireless. For the past 5 years, as the Managing Director for Wright Lane (Compliance) Services he undertakes various consulting assignments on an ongoing part time and one-off basis always utilising and promoting the ISACA Frameworks and guidelines.

Chapter board involvement: Mike was elected to the Board in April 2012. He resigned from the board in June 2014.

GEORGE WATTS

Director

CISM, CISSP

Experience and expertise: George has worked in the consulting and management services for information security and architecture domains with a board variety of clients and organisations for over 15 years.

Chapter board involvement: George was elected to the Board in April 2012.
Results and Dividends
The operating surplus for the year was $27,817 (2013: Surplus $14,666).

The company is not permitted under its Memorandum and Articles of Association to pay dividends. Therefore the directors do not recommend payment of any dividend.

Significant changes in the state of affairs
There have been no significant changes in the state of affairs of the Company during the period.

Significant events after the reporting date
No matters or circumstances have arisen since the end of the financial year, which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in subsequent financial years.

Likely developments and expected results
Likely developments in the operations of the Company and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the Company.

Environmental regulation and performance
The Company is not subject to any particular or significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Member Contribution
For each class of membership in the company, the amount which a member of that class is liable to contribute if the company is wound up, and the total amount that the members of the company are liable to contribute if the company is wound up is as follows:

<table>
<thead>
<tr>
<th>Class of membership</th>
<th>Contribution per member in the event of winding up</th>
</tr>
</thead>
<tbody>

On behalf of the directors

Paras Shah
President

Dated: 1\textsuperscript{st} April 2015
Auditor’s Independence Declaration

UNDER SECTION 307C OF THE CORPORATIONS ACT 2001
To THE DIRECTORS OF: ISACA

I declare that, to the best of my knowledge and belief, during the year ended 31 December 2014, there have been:

(i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the Audit; and

(ii) no contraventions of any applicable code of professional conduct in relation to the audit

Dawsons Accountants Pty Ltd
Hamish Dawson, Registered Company Auditor
PO Box 7842, Baulkham Hills NSW 2153

Notes to the Financial Statements
FOR THE YEAR ENDED 31 DECEMBER 2014

NOTE-1: CORPORATE INFORMATION

The financial report covers ISACA (the Company) as an individual entity. The financial report is presented in Australian dollars, which is the Company's functional and presentational currency.

The financial report consists of the financial statements, notes to the financial statements and the directors' declaration.

ISACA is a not-for-profit unlisted public company limited by guarantee, incorporated and domiciled in Australia. Its registered office and principal place of business are:

10 Clovelly Circuit
Kellyville
NSW 2155

The financial report was authorised for issue, in accordance with a resolution of the directors on 1st April 2015. The directors have the power to amend and reissue the financial report.

A description of the nature of the company's operations and principal activities are included in the directors' report.

Members guarantee
The Sydney Chapter of the ISACA (the Company) is a company limited by guarantee with each member liable to a maximum of $50 in the event that the Company is wound up and the assets are exceeded by liabilities. Members of the Company are members of the ISACA Inc, an international body with its headquarters in the USA.
1a. Summary of Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**Basis of Preparation**
The financial statements are prepared on the accruals basis.
These general purpose financial statements have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements, other authoritative pronouncements of the Australian Accounting Standards Board, Australian Accounting Interpretations and the Corporations Act 2001.
In preparing the financial report the company has taken the exemptions available to not for profit entities.

**Compliance with Australian Accounting Standards – Reduced Disclosure Requirements**
The financial statements of the ISACA comply with Australian Accounting Standards – Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB).

**Historical Cost Convention**
The financial statements have been prepared under the historical cost convention.

**Sales Revenue**
The company accounts for member’s subscription on an accrual basis. Function income and sponsorship are recognised in the year in which it relates. Interest income is recognised as it accrues, using the effective rate method.

**Expenditure Carried Forward**
Significant items of expenditure having a benefit or relationship to more than one period are written off over the periods to which such expenditure relates.

**Income Tax**
The Company is subject to the Income Tax Assessment Act, 1997 (amended) which provides that under the concept of mutuality under which the entity is, it is only liable for income tax on income derived from non-members and from outside entities.

The charge for current income tax expense is based on the surplus for the year adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the reporting date. Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.
Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the Statement of Comprehensive Income except where it relates to items that may be credited directly to equity.

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised. The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the association will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

Translation of Foreign Currency Transactions
Transactions in foreign currencies of the Company are converted to local currency at the rate of exchange ruling at the date of the transaction. Amounts payable to and by the Company that are outstanding at the balance date and are denominated in foreign currencies have been converted to local currency using estimation at the end of the financial year. All resulting exchange differences arising on settlement or re-statement are brought to account in determining the surplus or deficit for the financial year.

Cash and Cash Equivalents
Cash and Cash Equivalents include cash on hand and at bank.

Impairment of Assets
At each reporting date, the entity reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset’s fair value less costs to sell and value in use, is compared to the asset’s carrying value. Any excess of the asset’s carrying value over its recoverable amount is expensed to the Statement of Comprehensive Income.

Where the future economic benefits of the asset are not primarily dependent upon the assets ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is depreciated replacement cost of an asset.
Where it is not possible to estimate the recoverable amount of an assets class, the entity estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

Trade and Other Receivables
Trade and other receivables represent the principal amounts due at the reporting date.

Financial Assets
The company classifies its financial assets in the following categories: financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, and available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and re-evaluates this designation at each reporting date.

Loans and receivables
Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are measured at amortised cost using the
effective interest method less any impairment. They arise when the company provides money, goods or services directly to a debtor with no intention of selling the receivable. They are included in current assets, except for those with maturities greater than 12 months after the Statement of Financial Position date which are classified as non-current assets. Loans and receivables are included in receivables in the Statement of Financial Position.

**Property, Plant and Equipment**
All property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the assets’ carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Comprehensive Income during the financial period in which they are incurred.

The depreciable amount of all fixed assets is depreciated using the diminishing value methods to allocate their cost, net of their residual values, over their estimated useful lives, as follows:

- Computer equipment
  - 3 years

The assets’ residual values and useful lives are reviewed, and adjusted if appropriate, at each Statement of Financial Position date.

An asset’s carrying amount is written down immediately to its recoverable amount if the asset’s carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Comprehensive Income.

**Trade and Other Payables**
These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

**Goods and Services Tax (GST)**
Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST. The net amount of GST recoverable from, or payable to, the Australian Tax Office is included as a current asset or liability in the Statement of Financial Position. Cash flows are presented in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financial activities, which are disclosed as operating cash flows.

**Comparative figures**
Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

**Critical Accounting Estimates and Judgements**
The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable
expectation of future events and are based on current trends and economic data, obtained by both externally and within the company.

**CACS Conference Share of Profit**
Each year a different Oceania Chapter hosts a conference usually in September/October named Oceania CACS. Once the profit generated from the conference has been determined, it is split between the Oceania Region of Australia, NZ and PNG. 50% goes to the host chapter and the remaining 50% is distributed between the Oceania Region. Losses are absorbed by the host. CACS conference share of profit is recognised when it is received or when the right to receive payment is established.

**New, revised or amending Accounting Standards and Interpretations adopted**
The company has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period.

The company has early adopted AASB 1053 'Application of Tiers of Australian Accounting Standards,' AASB 2010-02 'Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements' and later amending Standards, as relevant. No other new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have been early adopted.

Any significant impact on the accounting policies of the company from the adoption of these Accounting Standards and Interpretations are disclosed in the relevant accounting policy. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the company.

The following Accounting Standards and Interpretations are most relevant to the company:

**AASB 1053 Application of Tiers of Australian Accounting Standards**

The company has early adopted AASB 1053 from 1 January 2010. This standard establishes a differential financial reporting framework consisting of two Tiers of reporting requirements for preparing general purpose financial statements, being Tier 1 Australian Accounting Standards and Tier 2 Australian Accounting Standards - Reduced Disclosure Requirements. The company being classed as Tier 2 continues to apply the full recognition and measurements requirements of Australian Accounting Standards with substantially reduced disclosure in accordance with AASB 2010-2 and later amending Standards, as relevant.

**AASB 2010-2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements**

The company has early adopted AASB 2010-2 from 1 January 2010. These amendments make numerous modifications to a range of Australian Accounting Standards and Interpretations, to introduce reduced disclosure requirements to the pronouncements for application by certain types of entities in preparing general purpose financial statements. The adoption of these amendments has significantly reduced the company's disclosure requirements.
AASB 2011-2 Amendments to Australian Accounting Standards arising from the Trans-Tasman Convergence Project - Reduced Disclosure Requirements

AASB 2012-7 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements and

AASB 2012-11 Amendments to Australian Accounting Standards – Reduced Disclosure Requirements and Other Amendments

The company has early adopted AASB 2011-2, AASB 2012-7 and 2012-11 amendments from 1 January 2010, to the extent that they related to other standards already adopted by the company. These amendments make numerous modifications to a range of Australian Accounting Standards and Interpretations to significantly reduce the company's disclosure requirements.

AASB 2011-9 Amendments to Australian Accounting Standards - Presentation of Items of Other Comprehensive Income

The company has applied AASB 2011-9 amendments from 1 January 2013. The amendments requires grouping together of items within other comprehensive income on the basis of whether they will eventually be 'recycled' to the profit or loss (reclassification adjustments). The change provides clarity about the nature of items presented as other comprehensive income and the related tax presentation. The amendments also introduced the term 'Statement of profit or loss and other comprehensive income' clarifying that there are two discrete sections, the profit or loss section (or separate statement of profit or loss) and other comprehensive income section.

Note 8: Events Subsequent to Reporting Date
Since the end of the financial year there have been no material subsequent events.
Directors’ Declaration

The directors of the company declare that:

1. the financial statements and notes are in accordance with the Corporations Act 2001 and:
   a. comply with Accounting Standards and the Corporations Regulations; and
   b. give a true and fair view of the company's financial position as at 31 December 2014 and of its performance for the year ended on that date;

2. in the director's opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the director.

Paras Shah
President

Dated: 1st April 2015
Independent Audit Report

We have audited the accompanying financial report of ISACA (the company), which comprises the Director's Declaration, the Statement of Profit or Loss and Other Comprehensive Income, the Statement of Financial Position, Statement of Cash Flows, Statement of Changes In Equity, a summary of significant accounting policies and other explanatory notes for the financial year ended 31 December 2014.

Director's Responsibility for the Financial Report
The director of the company is responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the director determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In Note 1, the director also states, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards (IFRS).

Auditor's Responsibility
Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the director, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
Independence
In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, provided to the director of ISACA on 31 December 2014 would be in the same terms if provided to the director as at the time of this auditor’s report.

Opinion
In our opinion:

1. the financial report of ISACA is in accordance with the Corporations Act 2001, including:
   a. giving a true and fair view of the company's financial position as at 31 December 2014 and of its performance for the year ended on that date; and
   b. complying with Australian Accounting Standards (including Australian Accounting Interpretations) and the Corporations Regulations 2001;

2. The financial report also complies with International Financial Reporting Standards as disclosed in Note 1.

Signed on:
