Mr Andrew Bornhorst (Appointed April 2012)

Mr Michael Wright (Appointed April 2012)

Mr George Watts (Appointed April 2012)

Mr Rizan Rizvi (Retired October 2012)

Mr Barry Muns (Retired April 2012)

Mr Gurvinder Pal Singh (Retired June 2012)

Mr Garry Barnes (Retired April 2012)

Long and short term objectives of ISACA

ISACA's vision is to enable its members and employers to achieve 'Trust in, and value from, information systems.'

ISACA's objective is to provide its members with education, resource sharing, advocacy and professional networking regarding IS Audit, IT governance, IT risk management and information security.

ISACA aims to enhance its members' skills, expand their professional knowledge and connect them with a vibrant community of peers.

DIRECTORS' REPORT

ISACA's Sydney Chapter Vision is to enable our members and their employers to gain trust in, and value from, information systems. To achieve this, our overall mission or goal is to improve the ability of our members to implement ISACA frameworks and pass our certification exams.

ISACA's Sydney Chapter's Strategic goals and objectives:

- **Goal 1 - Excel in Learning and Growth**
 - Identify and Respond to our member needs
 - Align ISACA Sydney Chapter's Strategy with ISACA International's 2022 strategy
 - Maintain a learning and personal growth culture
 - Maintain board members' knowledge on ISACA, our brand, frameworks, certifications and PD
- **Goal 2 - Excel in operations excellence**
 - Provide an effective and balanced professional development portfolio
 - Provide effective communications with members to improve awareness of ISACA, our brand, the value from frameworks, certifications, and PD in the local community
- **Goal 3 – Excel in our member experience**
 - Improve our member's capabilities to implement ISACA's frameworks
 - Improve our member's capabilities to pass ISACA's certification exams
 - Provide members with effective and timely professional development and networking sessions
- **Goal 4 - Excel in Financial contribution**
 - Gain adequate finance to support achievement of our objectives
 - Gain discounted offers for our members on local training opportunities
 - Retain and grow our membership

ISACA Sydney's Short Term Goals

- To provide opportunities for professional development of members on IS audit, IT governance, IT risk management and information security
- To provide a forum for members to gather and discuss issues and challenges and potential solutions in the above areas
- To provide regular communications on best practices in these fields

**INFORMATION SYSTEMS AUDIT AND CONTROL ASSOCIATION
FOR THE YEAR ENDED 31 DECEMBER 2012**

Sydney Chapter

(A company Limited by Guarantee)

A.C.N. 002 407 276

DIRECTORS' REPORT

ISACA Sydney's Short Term Goals (continued)

- To communicate relevant benefits to members, their employers, regulators and universities, of utilising IS controls in order to achieve trust in, and value from, information systems
- To promote ISACA's four certifications (CISA, CISM, CGEIT and CRISC) to its members and the industry
- To retain our existing membership and grow our chapter
- To maintain our financial capability to support achievement of our objectives
- To maintain adequate administration capability to support achievement of our objectives

Strategy for achieving the objectives

- Provide monthly professional development and networking sessions for IT audit, governance, risk management and information security professionals. These are based in the Sydney and Parramatta CBD areas
- To host a number of mini-summits throughout the year providing opportunities for professional development and networking with peers
- Keep members informed of publications, local training opportunities, events and activities organised by ISACA and its partners through fortnightly emails
- Host certification exam review sessions or boot camp sessions twice a year on CISA, CISM, CGEIT and CRISC
- Encourage the writing and distribution of articles through our local newsletter SCAN (Sydney Chapter Activities and News)
- We provide COBIT Special Interest Group sessions to improve the awareness and understanding of ISACA's COBIT 5 framework
- Provide a membership, certification and information session twice a year
- To promote ISACA and its services to members, their employers, regulators and universities
- To gain sponsorship, optimise cashflow and manage expenses

DIRECTORS' REPORT

Principle activities of the company

The company's principal activities during the course of the year were to cultivate, promote and disseminate knowledge and information concerning Information Technology (IT) auditing and related subjects.

There have been no significant changes in the nature of these activities during the year.

Performance measurement

ISACA uses a balanced scorecard to set objectives and measure performance against these objectives. Each year the board rates itself against these objectives and sends the results to ISACA International.

Key risks to the company have been identified and are reviewed at each Board meeting. The company identifies strategies annually to ensure retention and growth, and alignment of education and other services with member needs and the parent Association's strategies.

The Directors table a performance report at each Board meeting and key points are highlighted for discussion. This includes financial reports and education and certification portfolio reports.

Financial

During the year the company received income from various sources including membership fees, technical seminars, review sessions, CACS profit share and advertising. Outgoings were predominantly remittances for secretarial services, audit fees and the costs associated with holding seminars, conferences, and CRISC, CISA, CISM and CGEIT training sessions.

Staffing

The company has no employees.

**INFORMATION SYSTEMS AUDIT AND CONTROL ASSOCIATION
FOR THE YEAR ENDED 31 DECEMBER 2012**

Sydney Chapter

(A company Limited by Guarantee)
A.C.N. 002 407 276

Member Contribution

For each class of membership in the company, the amount which a member of that class is liable to contribute if the company is wound up and the total amount that the members of the company are liable to contribute if the company is wound up is as follows:

Class of membership	Contribution per member in the event of winding up
Member	\$50
Total	\$450

The total amount that members of the company are liable to contribute if the company is wound up is \$450, based on 9 current ordinary members.

Results and Dividends

The operating deficit for the year was \$9,080 (2011: profit \$5,795).

The company is not permitted under its Memorandum and Articles of Association to pay dividends and the directors therefore do not recommend payment of any dividend. No dividends have been paid or declared since the end of the previous financial year.

Significant changes in the state of affairs

There have been no significant changes in the state of affairs of the Company during the period.

Significant events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in subsequent financial years.

Likely developments and expected results

Likely developments in the operations of the Company and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the Company.

Environmental regulation and performance

The Company is not subject to any particular or significant environmental regulation under a law of the Commonwealth or of a State or Territory.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 DECEMBER 2012**

1. Corporate information

The financial report covers Information Systems Audit and Control Association (the Company) as an individual entity. The financial report is presented in Australian dollars, which is the Company's functional and presentational currency.

The company is a company limited by guarantee, incorporated and domiciled in Australia. Its registered office and principal place of business are:

10 Clovelly Circuit
Kellyville
NSW 2155

The financial report was authorised for issue, in accordance with a resolution of the directors on 26 March 2013. The directors have the power to amend and reissue the financial report.

A description of the nature of the company's operations and principal activities are included in the directors' report.

Members guarantee

The Sydney Chapter of the Information Systems Audit and Control Association (the Company) is a company limited by guarantee with each member liable to a maximum of \$50 in the event that the Company is wound up and the assets are exceeded by liabilities. Members of the Company are members of the Information Systems Audit and Control Association Inc, an international body with its headquarters in the USA. The Association was formed in 1969 to provide professional education for Information Systems auditors.

Sydney Chapter**

(A company Limited by Guarantee)
A.C.N. 002 407 276

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 DECEMBER 2012**

2. Summary of Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of Preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements, other authoritative pronouncements of the Australian Accounting Standards Board, Australian Accounting Interpretations and the Corporations Act 2001.

In preparing the financial report the company has taken the exemptions available to not for profit entities.

Compliance with Australian Accounting Standards – Reduced Disclosure Requirements

The financial statements of the Information Systems Audit and Control Association comply with Australian Accounting Standards – Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB).

Historical Cost Convention

These financial statements have been prepared on an accruals basis and are based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

INFORMATION SYSTEMS AUDIT AND CONTROL ASSOCIATION
Sydney Chapter
(A company Limited by Guarantee)
A.C.N. 002 407 276

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 DECEMBER 2012

Sales Revenue

The company accounts for member's subscription on an accrual basis. Function income and sponsorship are recognised in the year in which it relates. Interest income is recognised as it accrues, using the effective rate method.

Expenditure Carried Forward

Significant items of expenditure having a benefit or relationship to more than one period are written off over the periods to which such expenditure relates.

Income Tax

The Company is subject to the Income Tax Assessment Act, 1997 (amended) which provides that under the concept of mutuality under which the entity is only liable for income tax on income derived from non-members and from outside entities.

The charge for current income tax expense is based on the surplus for the year adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the reporting date. Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the Statement of Comprehensive Income except where it relates to items that may be credited directly to equity.

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised. The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the association will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

Sydney Chapter**

(A company Limited by Guarantee)
A.C.N. 002 407 276

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 DECEMBER 2012**

Translation of Foreign Currency Transactions

Transactions in foreign currencies of the Company are converted to local currency at the rate of exchange ruling at the date of the transaction. Amounts payable to and by the Company that are outstanding at the balance date and are denominated in foreign currencies have been converted to local currency using estimation at the end of the financial year. All resulting exchange differences arising on settlement or re-statement are brought to account in determining the surplus or deficit for the financial year.

Cash and Cash Equivalents

Cash and Cash Equivalents includes cash on hand and at bank.

Impairment of Assets

At each reporting date, the entity reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Comprehensive Income.

Where the future economic benefits of the asset are not primarily dependent upon the assets ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of an assets class, the entity estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

Trade and Other Receivables

Trade and other receivables represent the principal amounts due at the reporting date.

**INFORMATION SYSTEMS AUDIT AND CONTROL ASSOCIATION
Sydney Chapter**

(A company Limited by Guarantee)
A.C.N. 002 407 276

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 DECEMBER 2012**

Financial Assets

The company classifies its financial assets in the following categories: financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, and available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and re-evaluates this designation at each reporting date.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are measured at amortised cost using the effective interest method less any impairment. They arise when the company provides money, goods or services directly to a debtor with no intention of selling the receivable. They are included in current assets, except for those with maturities greater than 12 months after the Statement of Financial Position date which are classified as non-current assets. Loans and receivables are included in receivables in the Statement of Financial Position.

Property, Plant and Equipment

All property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Comprehensive Income during the financial period in which they are incurred.

The depreciable amount of all fixed assets is depreciated using the straight line/ diminishing value methods to allocate their cost, net of their residual values, over their estimated useful lives, as follows:

Computer equipment	3 years
--------------------	---------

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each Statement of Financial Position date.

INFORMATION SYSTEMS AUDIT AND CONTROL ASSOCIATION
Sydney Chapter
(A company Limited by Guarantee)
A.C.N. 002 407 276

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 DECEMBER 2012

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Comprehensive Income.

Trade and Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST. The net amount of GST recoverable from, or payable to, the Australian Tax Office is included as a current asset or liability in the Statement of Financial Position. Cash flows are presented in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financial activities, which are disclosed as operating cash flows.

Comparative figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained by both externally and within the company.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 DECEMBER 2012

CACS Conference Share of Profit

Each year a different Oceania Chapter hosts a conference usually in September/October named Oceania CACS. Every five years the Sydney Chapter applies to host the conference. Once the profit generated from the conference has been determined, it is split between the Oceania Region of Australia, NZ and PNG. 50% goes to the host and the remaining 50% is distributed between the Oceania Region. CACS2012 was hosted by Brisbane Chapter. CACS conference share of profit is recognised when it is received or when the right to receive payment is established.

New Accounting Standards and Interpretations early adopted

The entity has elected to apply the following pronouncements to the annual reporting period beginning 1 January 2011:

- AASB 1053 Application of Tiers of Australian Accounting Standards and AASB 2011-2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The early adoption of AASB 1053 enables the entity to be part of the Tier 2 reporting requirements for general purpose financial statements. The Tier 2 reporting framework comprises the recognition and measurement requirements of Tier 1 but substantially reduced disclosure requirements. The entity is eligible to adopt the new Australian Accounting Standards – Reduced Disclosure Requirements and has adopted the requirements of the standard effective from the financial year ended 31 December 2011.

The early adoption of AASB 1053 did not have any impact on the financial performance or position of the company.

No other new, revised or amending Accounting Standard or Interpretations have been early adopted.

New, revised or amending Accounting Standards and Interpretations adopted

The company has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

DIRECTOR'S DECLARATION

In the directors' opinion:

- the attached financial statements and notes thereto comply with the Corporations Act 2001, the Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the financial statements and notes thereto give a true and fair view of the company's financial position as at 31 December 2012 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution made pursuant to section 295(5) of the Corporations Act 2001.

Andrew Bornhorst
Treasurer

Dated this 26th day of March 2013

INDEPENDENT AUDITOR'S REPORT

To the members of Information Systems Audit and Control Association

Report on the Financial Report

We have audited the accompanying financial report of Information Systems Audit and Control Association, which comprises the statement of financial position as at 31 December 2012, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Information Systems Audit and Control Association, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion the financial report of Information Systems Audit and Control Association is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 31 December 2012 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Regulations 2001*.
