

SHE LEADS TECH IN BIG BUSINESSES

Come and hear how well-known Danish companies and a highly tech-focused educational institution focus on **attracting women in IT** and get inspired to pursue an IT-career yourself.

THE EVENT IN SHORT

Please join us for our next SheLeadsTech event hosted by ISACA Denmark @ Deloitte Copenhagen.

Through inspiring talks from role models and innovative organizations, we work to put focus on the diversity agenda in IT, to eliminate biases, and to inspire women to pursue an IT-career.

This evening, we have invited a range of very inspiring speakers from well-known Danish companies, seasoned with a presentation from one of Denmark's most tech-focused educational institutions, for a talk about how they work to attract and retain women in IT, as well as inspiring stories from IT-career role-models. You'll be informed, intrigued and inspired!

Psst... Deloitte can seat 135 people. First come first served.

DON'T WASTE your seat (or your sandwich!) If you can't make it, **PLEASE CANCEL** via Eventbrite, to let the next in line get your attractive seat.
