

Supplemental Privacy Notice

For the ISACA Budapest Chapter Conference

The Hungarian Chapter of International ISACA (ISACA Magyarországi Egyesület, ISACA Budapest Chapter, hereinafter: “ISACA”) finds it important to safeguard and enforce the rights related to data processing of those participating in its events. During the processing of the personal data of the participants of the ISACA Budapest Chapter Conference (hereinafter: “Conference”) organized with the Hopin virtual conference platform on 25.11.2020, ISACA acts in compliance with the General Data Protection Regulation of the European Union (Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC [the “GDPR”]), Act CXII of 2011 on Informational Self-Determination and the Freedom of Information and other provisions of the law relevant to data protection.

This notice, together with the general privacy notice of ISACA (available at the following link: https://higherlogicdownload.s3.amazonaws.com/ISACA/a33a1b3f-fd2b-4dc7-a080-308f6288e925/UploadedImages/ISACA_Budapest_Chapter_Privacy_Notice.pdf), as well as at the Conference platform), provides complete information on the data processing related to the Conference. The purpose of this supplement is to inform the persons concerned of the specific features of the data processing related to the Conference, as compared to the general information. Further information on data processing principles, the data security measures applied by ISACA, and the data subject rights of the conference participants and other data subjects can be found in the general privacy notice.

ISACA provides free entrance for the participants, and charges no costs to them, and in return, participation in the event requires acceptance of the transfer of personal information to the event’s sponsors. The sponsors undertook to send a marketing request only once to the participants, and the participant does not have to respond to the message.

ISACA assumes no further responsibility for the data processing of exhibitors participating in the Conference.
