

# CURRICULUM VITAE

## Tonći Kaleb

I am Risk Practitioner with strong IT background.

I used to be IS Developer, local DEV Community leader, ICT columnist, Risk Specialist, IT Auditor...

During my career I worked for a number of different companies, including Société Générale, Ericsson, and OTP Group. There I gained knowledge, skills and experience through participation in a great teams and projects.

Now I have valid ISACA's CISA and CRISC certificates, plus PECB's ISO 22301 Lead Implementer certificate.

I live in Split (Croatia, EU), and I love movies, football and cafes on the beach.
