The 2024 ISACA Manila Annual Conference is a two-day highly anticipated event that will take place on August 15-16, 2024 at Quest Plus Conference Center Clark, Mimosa Drive, Filinvest Mimosa + Leisure Estate, Clark Freeport Zone, Pampanga, Philippines.

In today's interconnected and rapidly changing world, trust is the cornerstone of successful relationships, whether in business, governance, or personal interactions. This year's theme delves into the essential elements of transparency, accountability, and integrity that serve as the bedrock for fostering trust in all aspects of life.

As a leading organization in the industry, ISACA Manila is dedicated to advancing the knowledge, skills, and expertise of its members and the wider community through educational and networking events like this one.

The theme of this conference highlights the crucial role digital trust plays in shaping digital interactions. In an environment where data breaches, misinformation, and unethical practices abound, establishing and maintaining trust has emerged as a critical challenge for organizations and individuals alike. By emphasizing transparency, accountability, and integrity, the conference seeks to identify strategies and best practices for cultivating a culture of trust in digital environments.

The two-day conference will feature a combination of keynote presentations, panel discussions, interactive workshops, and networking opportunities. Participants will have the chance to engage with thought leaders and practitioners from diverse industries, sharing insights and experiences related to building trust in digital environments. Additionally, exhibitors will showcase innovative solutions and tools designed to enhance transparency, accountability, and integrity in digital practices.

Join us as we explore the pathways to building a culture of trust in the digital age.
