ANY QUESTIONS? YOU MIGHT FIND THE ANSWER RIGHT HERE!

Who should attend this CRISC training?

Anyone taking or considering taking the CRISC examination; anyone seeking an overall understanding to identify, evaluate and manage information systems and technology risk. CRISC is designed for IT professionals, Risk professionals; Control professionals; Business analysts; Project managers and Compliance professionals.

How many CPE credits do I receive?

20 CPE credits

Is following this training sufficient for me to pass this exam successfully?

We will prepare you the best we can and make sure you received all theory by the end of the bootcamp. Yet, any ISACA exam is a 100% individual challenge and you will need to continue to rehearse the course materials and the sample questions after the boot camp until the exam. The CRISC exam is not a "know by heart" exam, but an exam with multiple choice questions testing your practical knowledge and experience as a risk & information system control manager.
