

One Mission, a Thousand Ways

The **7th Annual ISACA Community Day** has proven to be a resounding success! Throughout the world, ISACA members, staff, their families and friends joined together to help those less fortunate and to improve their local communities. Community Day is evidence of the positive force that people and technology can create when we combine efforts for a common purpose—to help people.

Participant Quotes

“ I donated blood as part of the ISACA Sydney Chapter’s Community Day initiative in partnership with the Australian Red Cross Lifeblood. Contributing to something that directly helps save lives reminded me how small actions can create real impact. I’m proud to be part of a professional community that values service, integrity, and collective responsibility principles that go hand in hand with cybersecurity and leadership.

–Sydney Chapter Volunteer

“ I had the wonderful opportunity to join the ISACA Gaborone Chapter Community Day at Mogoditshane Primary School. We spent the day cleaning classrooms and most importantly, engaging with students to share valuable lessons about cyberspace and online safety. It was inspiring to see their enthusiasm and curiosity about technology and cybersecurity! A big thank you to ISACA Gaborone Chapter for creating such meaningful community impact and reminding us that giving back is an essential part of professional growth and leadership.”
