

Legal and Regulatory Affairs Committee: North America

ESP Leadership Development Program – Role Description

Committee's scope and research interests

The NA LRA strive to:

- Provide support for leading edge educational events (webinars, CTLM)
- Drive committee and society membership
- Build and promote visibility of ISCT's regulatory partnerships
- Position GRP as a global regulatory think tank

Projects and responsibilities for the ESP member

- Co-authoring the Watch Dog report
- Contributing to submissions to relevant public consultations
- Assisting with webinars being developed by the LRA on a relevant topic
