

Learner Notification

International Society for Cellular Therapy 2023 ISCT Annual Symposium May 31, 2023 - June 3, 2023 Paris, France

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and International Society for Cellular Therapy. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Physicians

ACCME Credit Designation Statement

Amedco LLC designates this live activity for a maximum of 15.00 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives - After Attending This Program You Should Be Able To

1. Identify the scientific, clinical, laboratory, technology, funding and regulatory issues related to specific types of cell-based research/therapy. Demonstrate cross-disciplinary participation from clinicians, laboratory personnel, regulatory professionals, scientists, technology and business experts from both academia and industry.
2. Describe the translational aspects of and issues involved with cell and tissue-based therapies. Translate information and experience from more mature cellular therapy areas such as hematopoietic stem cell transplantation to emerging applications including non-hematopoietic indications.
3. Promote the transfer of information and experience from senior practitioners to young scientists in the field. Advance rigorous evaluation of quality, safety and efficacy of novel cellular, gene-modified cell and tissue-based therapies.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.

Name	Commercial Interest:Relationship
Haig Aghajanian	Capstan Therapeutics:Owner
Julie Allickson	NA
Anna Balari	Takeda:Speakers Bureau BMS, MSD, Gilead-Kite, Novartis, Janssen, GSK, Amgen, Roche, Alexion, Sanofi:Other
Jacqueline Barry	NA
Alice Bertaina	Cellevolve, Adicet Bio, Cellevolve Bio, Gilead, Miltenyi:Scientific/Medical Advisory Board Member

How to Get Your Certificate

1. Go to isct.cmecertificateonline.com
2. Click on the **2023 ISCT Annual Symposium** link.
3. Evaluate the meeting.
4. Print, download, or save your certificate for your records.
5. If you lose your certificate, or need help, go to help.cmecertificateonline.com
