Re: **ISCT Asia 2026 Scientific Regional Meeting Invitation**

---

Dear

The International Society for Cell & Gene Therapy (ISCT) invites you to register and attend the Inaugural Scientific Asia Regional Meeting of the Society, ISCT Asia 2026, to be held in Singapore from September 2 to September 5, 2026, at The Suntec Convention Centre. This letter serves to confirm your invitation to attend the meeting.

To further assist you in obtaining a visa, below is a description of the conference and how to access more information on the conference itself and ISCT as a Society.

The inaugural scientific regional meeting's program consists of 25+ plenary, concurrent, and roundtable sessions, keynote session, 150+ abstract presentations, corporate sessions, and global showcase presentations. Global key opinion leaders will present novel research, data and ideas, as well as discuss and debate pressing practical problems facing the sector.

We have invited a distinguished group of scientists, clinicians, policymakers, regulators, and industry experts from around the world to engage in the latest developments in the field of cell and gene therapy. We anticipate more than 450 delegates will attend this highly regarded conference.

If you would like more information about ISCT or the ISCT Scientific Annual Meeting, please contact the ISCT Head Office at (604) 874-4366 or visit the meeting website at <https://www.isctglobal.org/isctasia2026singapore/home-2026>. Information on ISCT can be obtained through the society website, [www.isctglobal.org](http://www.isctglobal.org).

Sincerely,

**Artin Rahbar**
