

## Tips and Expectations for Mentors and Mentees

It is suggested to complete this form periodically throughout the mentoring relationship. Both Mentor and Mentee should complete the individual form, submit to each other, and discuss at your next meeting.

1. What's working in your mentoring partnership?
  
2. What do you feel would make it better?
  
3. What activities have you done together?
  
4. What was your favorite activity?
  
5. Are you content with the frequency of your meetings? If not, how could this improve?

6. Please provide additional feedback for your mentor / mentee.

7. What are some of the positive things you've received from the relationship?

8. What goals do you still feel you have not achieved from the relationship?

9. What actions will you and your mentor/mentee take from this evaluation moving forward in your relationship?
