## Sponsorship Opportunity - Upcoming Kappa Delta Pi Conference 2025

**Kappa Delta Pi SJU** <sju.kappadeltapi@gmail.com>

Thu, Jan 2, 2:29 PM

Hello,

My name is Acayla Wray, and I am the president of the Kappa Eta Chapter of Kappa Delta Pi, the International Honor Society in Education, at St. John's University. I'm excited to share that we are hosting an education **conference** on Saturday, March 23rd from approximately 10:30 am - 1:30 pm.

This event will feature two confirmed speakers exploring the topics around the integration of technology and AI in classrooms, networking, and building connections in education. We are in the process of confirming one more speaker. We are expecting approximately 75 attendees, including undergraduate and graduate KDP students from the New York area.

To enhance the experience for our attendees, we are seeking sponsorship for breakfast and/or lunch. In appreciation of your support, we would be delighted to offer prominent ad space on **conference** flyers and materials, speaking time (5-15 minutes) to present your services to attendees, or opportunities to showcase or sell your products during the event.

We believe a partnership with Lee & Low Books would greatly enrich our event while aligning with your mission to support education.

Could we arrange a time to discuss this opportunity further? I'd be happy to answer any questions or provide additional details.

Thank you for considering this opportunity!

Kind Regards,

Hello Dr. Tomlinson,

My name is Emily Wenke and I am the new alumni liaison for the chapter of Kappa Delta Pi, an education honor society, at St. John's University. KDP will be hosting a mini student **conference** on Sunday, March 23rd for members in the Long Island and NYC area.

We are having trouble finding funding for it (we need approximately \$700 to cover lunch for the day) and were speaking to Dr. Weedens Blanchard in the School of Education, who will be presenting for us, about this issue. He suggested we reach out to you to see if you had any ideas or knew of any sources we could go to.

Thank you,

Emily Wenke

## Guest Speaker Invitation to KDP's Conference

Good afternoon Dr. Blanchard!

Happy New Year! We hope you are doing well! We are reaching out in regards to an email sent on December 20th pertaining to an invitation for you to speak at our KDP Education Conference on Sunday, March 23rd. We are going to attach the email that contains all the information. We would truly appreciate it if we use this KDP gmail moving forward in order to confirm any details and that way we can connect you with Emily, our former president, who is helping coordinate this conference!

### Email sent from Mariajose's SJU Email:

As we have spoken at the beginning and end of the semester, I am part of the Kappa Eta Chapter of Kappa Delta Pi here on campus. When we last spoke in person, I let you know that I would be attending an event planning meeting with my E-Board co-members for the upcoming spring semester. I mentioned that I would like for your attendance/collaboration at one of our events. I did this because I took away a lot of useful knowledge from your class, expertise, and passion, and believe that others should hear this knowledge as well.

With that being said, KDP is organizing a conference on **Sunday, March 23rd, from 11:00 AM to 1:00 PM**, and we'd love for you to be one of our guest speakers! Your session would focus on how future educators could use technology in the classroom, the advantages and disadvantages of doing so and its impacts. In class, you always emphasized that "AI should never replace teaching or learning, it should only be used as an enhancement tool" and I think this would be an amazing point of discussion that others should hear!

There will be time for your own expertise and suggestions. The presentation would be approximately 30 minutes, followed by a 5–10-minute Q&A session. Lunch will be provided.

Please let me know if you're available, and I'd be happy to discuss further details or accommodate your schedule as needed.

Thank you so much for considering this opportunity, and we look forward to hearing from you!

Best,  
KDP 2025 E-Board

Hello Christopher,

This is Emily from the Kappa Eta chapter. I am writing to update you on our progress with planning the regional conference and to introduce our new chapter president, Acayla Wray.

I just completed my degree at St. John's, but will be staying on as an officer as an alumni liaison. I will be working with Acayla to finish planning the conference. It is coming together nicely!

It will be on Saturday, March 23rd from approximately 10:30 am - 1:30 pm.

We will have two speakers on technology and AI in the classroom, a speaker from St. John's career services focussing on networking and building connections in education. I remember you said you may be able to do a session on chapter development or something similar and I wanted to check to see if you were still interested? Also to confirm, this would occur virtually?

We will be determining if we have the funds to cover the event or if we need to set up a ticket soon. I remember you mentioned that we could set up a ticket system through the KDP website, which I think may be a good idea even if the event ends up being free so that it seems more official.

Thank you for all of your help and I am looking forward to connecting further on this!

Happy New Year,

Emily Wenke

Hello NYC Area KDP Chapter Counselors and Leaders,

My name is Emily Wenke and I am the alumni liaison of the Kappa Eta chapter of KDP at St. John's University in Queens, NY.

With guidance from the KDP National Office, we are excited to announce that we will be holding a regional conference for KDP undergraduate and graduate members where we will hear from experts on technology in education, have a session from St. John's career services on networking, and a session led by a national KDP staff member Mr. Christopher Whited.

We are looking to host this event on **Sunday, March 23rd** from **10:30 am - 2:00 pm** on our **Queens campus**, at 8000 Utopia Parkway, Queens, NY 11439. Tickets will be \$15 to directly cover breakfast and lunch for the event.

Check out our [website](#) for more information!

You can purchase tickets come mid-February, but we wanted to announce this exciting opportunity now to save the date. We are looking forward to seeing members from the NYC area come together to learn and network in March!

Please reach out with any questions!

Warmest Regards,

Emily Wenke

Hello, KDP Members,

This is Emily Wenke, the alumni liaison for the Kappa Eta chapter at St. John's University.

Thank you for registering for the NY Regional **Conference** on AI & Technology in Education, we are so excited to have you join us!

### Some Reminders about the **Conference**:

- It will be taking place this **Sunday, March 23rd**, from **11:00 am to 2:00 pm**.
- Check-in will begin and light breakfast refreshments will be served starting at **10:30 am**.
- Lunch will be pasta primavera, artisanal sandwiches, and house made chips. Vegetarian options will be available.
- The dress code is business casual.
- Feel free to bring a laptop and/or notebook and pen for note taking.

### How to Get to the **Conference**:

- Our **conference** is taking place on the St. John's University Queens campus at 8000 Utopia Pkwy, Queens, NY 11439. This will bring you to Gate 1 (G1 on the map).
- If parking you can ask a public safety officer for a free temporary parking pass, saying you are here for a **conference** in the D'Angelo Center. You may park in the yellow general parking lot next to Gate 1.
- If you are taking public transit and arrive via the Q30/31, it will drop you off right near Gate 1 as well.
- You are welcome to utilize free street parking by gates closer to the building as well (marked G4, G5, and G6) and walk on to campus.
- You can use the map to guide you to the D'Angelo Center (A black dot with #12).
- If lost, feel free to stop any student and ask where the D'Angelo Center is and they should point you in the right direction. It is the building with the bell tower on top of it!
- Once in the D'Angelo Center, take the elevator or stairs to the fourth floor, to the D'Angelo Center Ballroom (DAC 416C) to check in.

Please reach out with any further questions as the day approaches!

Sincerely,

Emily Wenke  
KDP Kappa Eta Alumni Liaison
