

ABORIGINAL LANDCARE OFFICERS

Nioka Dupond - Wiradjuri

Michael Kennedy - Gumbaynggirr

Meet Your Aboriginal Landcare Officers!

What Do We Do for our Regions in NSW?

We bring people together —connecting Traditional Owners, First Nations People, local communities, and organisations. We cultivate respectful partnerships that honour people, culture and Country.

Discussing Protocols

We guide you through cultural protocols, ensuring your projects are culturally appropriate and respectful. Let's work together the right way, from the start.

Our Projects

- Incorporating First Nations ecological knowledge to improve outcomes for land and water
- Cultural heritage protection
- Facilitate community dialogue and education
- Youth and community engagement

Driving Change

We're leading positive change by working with our regions to shape policy, improving procedures, and advocating for the inclusion of First Nations perspectives in all we do. We help our organisations and communities grow stronger by embedding respect, understanding, and collaboration into our everyday practice.

Ready to connect?

Contact the Aboriginal Landcare Officers today!

ndupond@mli.org.au or michael.kennedy@northcoastlandcare.org.au

Together, we create a future that respects culture, protects the land, and empowers all.
