WHO WE ARE

Founded in 1976, the League is a network of more than 300 historic theatres throughout the United States and Canada.

OUR MISSION // The mission of the League of Historic American Theatres is to champion the preservation, restoration and operation of historic theatres.

OUR VISION // The League envisions these unique showcases for human creativity, arts and culture as vital assets in livable communities throughout North America.

"We arrived wanting to open a historic theater. We left knowing that we will open a historic theater and knowing how to do that! The impact was profound for us and the collective amount of resources available through LHAT did not go unnoticed. We would be fools to miss this opportunity to join LHAT."

WHAT WE DO

We create opportunities for you to share best practices and network with your peers across the nation. We provide you with information about resources available to you so that you can succeed in your efforts to protect, restore, renovate and operate your historic theatre. We connect you with other historic theatres who have "been there and done that" as well as others who are facing the same challenges you are right now.

TESTIMONIAL

"Our LHAT membership is probably one of the smartest annual investments we make. The ROI in terms of education and networking is greater than any other organization in which we have membership. And the annual conference offers a great balance of formal learning opportunities, informal information gathering, networking - and a whole lot of fun!"

- Bruce Greenhill, Ironwood Theatre, MI
