Breakout sessions and whole-group discussions will allow learning from even more districts and provide opportunities for engagement and collaboration.

Implementing In-House Before- and After-Care

11:15am - 12:00pm

Staffing, structure, and other logistics for one district will be explored so your district can consider this investment in students, or continue evolving your program using high-quality practices.

Cancellations MUST be received in writing no later than March 7, in order to avoid being charged.
