

WHY YOU SHOULD ATTEND MASBO'S ANNUAL INSTITUTE

Immerse yourself in a quality educational experience by:

Toolbox Development--Gain knowledge to advance your professional learning and then apply and share it when you return to your district. Earn PDPs.

One-on-One Interactions--Build relationships with Business Managers around work structure through educational sessions and similar district exchanges.

Quality Leaders--Experience Sync or Swim: The Benefits of Professional Collaboration and several state-wide experts on topics relevant to your work.

Mutual Networking--Connect with Solution Providers about your in-district needs and hear about their products and services.
