

Midwest Business Group on Health
The Source for Leading Health Benefits Professionals

The Source for Leading Health Benefit Professionals

There has never been a better time to join other employers in obtaining added value for your health benefit dollars. For 38 years, MBGH has been one of the nation's most respected business coalitions and an effective catalyst in improving quality, safety and efficiencies for the nation's health care system.

With over 130 public and private employers and other organizations, MBGH members spend over \$4.5 billion annually to provide health benefits coverage for over 4 million covered lives.

Member Benefits:

- ▶ Network with leading national and regional public and private employers
- ▶ Participate at no cost in monthly educational programs, webinars and employer-only roundtables, and receive discounts for the MBGH Annual Conference and industry partner events
- ▶ Obtain information and publications from other national, non-profit business organizations on health benefit policies, management issues and key topics. MBGH partners with the American Benefits Council, ERISA Industry Committee, Employee Benefit Research Institute, Integrated Benefits Institute and American Heart Association
- ▶ Access preferred rates for a variety of health benefit programs and services including buyer groups for PBMs, condition management, advocacy and price transparency, and wellness program vendor searches/market check
- ▶ Learn how your peers are managing health benefits by participating in employer benchmarking surveys – request a custom survey at no cost
- ▶ Join BCBSIL and UHC Employer User Groups to share confidential information, experiences and discussions and working groups for PBMs and data analytics
- ▶ Participate in employer applied research projects that include the testing of new benefit tools and health management strategies
- ▶ Access resources developed just for MBGH members:
 - Online library of employer benchmarking surveys, employer toolkits and educational program content
 - Employer-only discussion groups via MemberConnect, MBGH's member portal
 - Online member directory with access to customized employer profiles
