Since 2015, Dr. Jan Berger has served as Medical Director for Midwest Business Group on Health. In this role, Dr. Berger provides insight into clinical best practices, keeps the team up to date on issues facing the industry, and writes position papers and is a contributing author on timely and relevant healthcare topics.

Dr. Berger is the founder and CEO of Health Intelligence Partners, working with clients to navigate the intersection of strategy and operations within both the healthcare and consumer goods and services environment in order to identify and articulate value opportunities. Past roles include serving as Senior Vice President, Chief Clinical Officer and Innovation Officer for CVS Health/Caremark as well as positions in healthcare and population health administration.

As a veteran healthcare executive, Jan shares her expertise through her consulting agency as well as through participation on healthcare, consumer product, business and healthcare advisory boards. Jan has authored several publications and is the past Editor in Chief of the American Journal of Pharmacy Benefits. Jan is considered a national healthcare thought leader and is a sought-after speaker and writer on a broad range of healthcare and pharmaceutical topics.

Jan holds a Doctor of Medicine and Master of Jurisprudence from Loyola University in Chicago and a Certificate in Healthcare Business Administration from University of South Florida. Jan is an assistant professor at Northwestern University School of Medicine and School of Communication in Chicago, IL and holds a black belt in Six Sigma.
